

Life Services Toolkit

Helping You Handle Life's Details

Through the Life Services Toolkit, Standard Insurance Company gives you access to services that help you and loved ones prepare for and manage life's major events. You, your spouse or domestic partner, and your children up to age 26 can access these services 24 hours a day, 7 days a week. The Life Services Toolkit is included in your Group Life insurance, which means there's no additional cost to you.

Travel Assistance

Services include a full range of medical, travel, legal and emergency transportation services when you travel more than 100 miles from home or internationally on trips up to 180 days.

Funeral Planning & Concierge Services

This offering provides personalized assistance with all funeral-related matters, both before and during your need, including local funeral home price comparisons and the negotiation of final funeral service costs with the funeral home your family chooses.

24-Hour Health Information

Includes 24/7/365 access to registered nurses who can provide health and medication information, symptom decision support, and help understanding treatment options.

Digital Identity Archive®

To help make retrieving your online information easy in the future, this service provides a secure website for recording, storing and updating items like usernames and passwords. The information can be accessed by your designated person as needed, anytime after your death.

Online Estate Planning

You'll have access to an online library of legal forms, including a will, that enables you to prepare, view and print documents that can be notarized and stored in a secure place.
