## **JOURNAL EDITORIALS**

I have served as reviewer for the following six journals:

Management Science

Data Base

Decision Sciences

The International Journal on Policy and Information

Oxford Surveys in Information Technology

Information Processing and Management--An International Journal

### **INTERNATIONAL GUEST SPEAKER**

I delivered a lecture on Decision Support Systems and Artificial Intelligence applications for the 50<sup>th</sup> anniversary of Monterey Institute of Technology in Monterey, Mexico on October 8 and 9, 1993. The lecture was televised live in 27 university campuses.

### **NATIONAL AND REGIONAL CONFERENCE REFEREES**

I have served as referee both for the Regional and National Institute of Decision Sciences Institute.

### **TRAINING PACKAGES DEVELOPED**

Training in Management Information Systems for Tektronix, Inc., Beaverton, OR, January, 1983. (This package included the first phase of training in MIS for all levels of management.)

Computer applications and MIS programs for Job Training Act, Kern County, with Professor James Patten, December, 1983.

Executive Computer Training for Non-Data Processing Executives. This package included three workshops in microcomputers, decision support systems and computer acquisition.

### **CONSULTING AND SERVING AS EXPERT WITNESS**

Statistical analysis using SPSS package, for Foundation of Cost Information Systems, Tektronix, Inc., Beaverton, OR, December, 1983, with Professors Rusth and Wasson, Portland State University.

Numerous consulting to small and mid-sized organizations within Oregon and California. This includes computer acquisition, PC utilization, and systems implementation and systems documentation and e-commerce projects.

I have served as an Expert Witness in several occasions. The most recent one involved a Patent disputes on a Declarative Method for Business Management.

### **PROFESSIONAL ORGANIZATIONS**

Founder and Faculty Advisor of Management Information Systems Club (formerly Decision Support Systems Club), California State University, Bakersfield.

Decision Sciences Institute, member.

Small Business National Association for SBI Directors, member.

Data Processing Management Association, Bakersfield Chapter, member and former Educational Chairman.

Association of Information System Professionals, member.

Sigma Iota Epsilon, member.

Beta Gamma Sigma, member

Alpha Kappa PSA, member.

## **EXECUTIVE SEMINARS**

I have designed and implemented the following executive seminars and certificate programs. They have been successfully implemented both in Oregon and California.

Electronic Health Seminar for Medical Professionals  
First Course in Computers: Literacy and Hands-on  
MS-DOS: A "Hands-on" Experience  
Computer Literacy: What Is This Magic Machine?  
First Steps Toward Automation

Macro Programming for Decision Making  
d-BASE III Plus and IV: "Hands-on" Experience  
Computer for Small Business: Part I  
Computer for Small Business: Part II  
Computer for Small Business: Part III  
Microcomputers for Executives  
Utilization of Computers by Management  
Multimedia Applications in Business World  
Integration of AI Technologies with Decision Support Systems  
Decision Support Systems for Managers  
Improving Decision Making Using Integrated Technologies  
Computers for Accountants  
Telecommunications and Networking for Non-DP Managers  
Decision Support and Executive Information Systems  
Certificate Program in Computers for Executives (with Dr. Brian McNamara)  
Information, Computers and Network Security for Managers  
Certificate Program in Electronic Commerce: Part I  
Certificate Program in Electronic Commerce: Part II  
Certificate Program in Electronic Commerce: Part III  
Using Information Technology for Gaining Competitive Advantage

## **SERVICE**

During the past 38 years at CSUB I have served in diverse departmental, school and university committees including the University Review Committee, University Senate, Library, Media, and Technology, Faculty Honors & Award Committee, University Research Committee, Teaching and Learning Center, Curriculum Committee and many more. I have also been very involved in the community by visiting local community colleges and high schools and lecturing on various

information systems topics. I have been offering more than 30 executive seminars for all levels of business and management training.
