Title: The Mis-Education of Mathematics Teachers? Really??

Speaker: Michael Lutz

Time: Wednesday, January 25, 2012 at 2:10

Place: Science III Room 213

Abstract: This session is intended to be a continuation of a discussion initiated by Dr. Trigos regarding the preparation of mathematics teachers. We will draw heavily on the Notices of the AMS articles that he distributed, especially the ones by Professors Wu and Beckmann.
