Special Events & Fellowship Evelyn Glines (399-3658, elglines@att.net)

Hi Everyone. We have a reservation at the Stockdale Country Club for **Friday, December 3** for our Holiday Luncheon. Other than the date, we have not made definite plans because we need to have a minimum number of firm reservations. The price in 2019 was \$30 per person and that price will increase but we don't know by how much. If you are definitely interested in attending, please call me at 399-3658 so that we can gauge whether to hold the lunch this year. I will need to know as soon as possible. Thank you so much, Evelyn.

Hope to see many of you at the Holiday Luncheon on **Friday, December 3** at the Stockdale Country Club. Reservations are due **Friday, November 26** so please contact Evelyn Glines as soon as you can. We will be collecting nonperishable food items for the CSUB Food Pantry.

Some members did ask about COVID-19 vaccination requirements and CSUB updated their guidelines which the Board had previously adopted. The revised requirements are as follows: "Students and Employees must receive an approved COVID-19 vaccine, and the 60+ Board of Directors is asking all members to adhere to the CSU policy in order to participate in in-person activities unless they have a medical or religious exemption. If members fall under an exemption, they must have a negative COVID-19 test within 3 days of the in-person gathering."

As for now, we have 78 members that have joined or renewed. We welcome new members Alan Annis, Linda Fauke, D Stotler and Charlotte White.

I addressed the Kern County Retirees at Hodel's Restaurant. There were 148 retirees in attendance. I talked about our interest groups and the scholarship that we sponsor. I hope we get some new members from that group.

Our next Board meeting will be held on **Thursday January 6** at **1:30 pm** in the CSUB University Advancement Conference Room. If you want to attend via Zoom, here is the link:

I want to thank Evelyn Glines for arranging the Holiday Lunch in November, it was a complete success. We enjoyed seeing so many members in person and we collected food for the CSUB Pantry.

It's that time for the Nominating Committee headed by Director Carol Black-Calderwood. The Offices to be filled this year include:

- 2nd Vice President, Membership
- Historian
- Publicity
- Interest Group Leader

Please contact Carol at cblack0000@aol.com or 661-747-9563 if you would like to serve or to suggest someone for a position.

The Board of Directors members have started to call former 60+ members who did not renew their memberships to encourage them to rejoin the club. We welcome new members Stephen Sway and Andre Devereaux.

I attended the Fun & Games interest group at Round Table Pizza and had a great time playing dominos. They plan to add the game of mahjong to list of games.

Our next Board meeting will be held on **Thursday, February 3 at 1:30 pm** in the CSUB University Advancement Conference Room. If you want to attend via Zoom, here is the link:

Walter Stiern Memorial Rose Garden

Carla Stanley

(428-1517, searosas53@hotmail.com)

Thanks to the many people who came out this year and helped in the rose garden. 60+ Club member Charlotte White came out in October and “captured” us at work trimming the climbing roses as seen by this work-in-progress. Charlotte is a working artist who is also teaching classes through Bakersfield College Levan Institute for anyone who is interested in learning more about art.

After our pruning in January, we will be sitting back and watching the roses grow for a few months. I hope to plant some roses in late February, but do not have dates for that event at this time.

Fun & Games

Carole & Bob Guillory

(665-2148, bcguillory@sbcglobal.net)

We will meet at Round Table Pizza on Gosford Road. Games will begin at **1 pm on Wednesday, February 2**, but most of us come around noon, eat lunch and visit before the games. Round Table has been kind enough to wave the usual \$50 fee to book the small private party room.

Besides our usual Mexican Train, we have played Pinocle and Ranter-Go-Around (but we called it by a different name thanks to Shelia). We are now in the process of trying our luck with mahjong with the help of Carla. So, bring your favorite game or come join in on one of our games.

## President's Message

James Mitchell

(703-6804, [jm6495777@gmail.com](mailto:jm6495777@gmail.com))

The 60+ Board of Directors formed an election committee and Director Carol Black volunteered to serve as chairman. Trish Mills and Lois Hess volunteered to serve as the non-board members on the committee. If asked to serve, please consider it. Contact Carol at [cblack0000@aol.com](mailto:cblack0000@aol.com) or 661-747-9563

Treasurer Carla Stanley has been working on several things for the Club including historical reports and scholarship which she describes below. She can be reached at [searos53@hotmail.com](mailto:searos53@hotmail.com).

- The 60+ Club was formed in 1988 and traditionally created a Summary Report. The first few years it was annually, then biannually. It has been ten years since the last Summary report was done and WE NEED INFORMATION. Carla is gathering information for this report and needs input from members who have been active in the club since 2012, especially if you were an officer or involved in an Interest group or Action group. Please send Carla your stories so your part in our history will not be lost.
- For the past two years the 60+ Club has given a \$1500 scholarship to an Education or Nursing student and we are continuing. We have had 15-20 applicants to rank in the past. We have a committee of three board members and two non-board members on the committee. All of the information is sent to you electronically/on-line. We generally do it the end of March to the first part of April. Please contact Carla if you would like to be involved in this rewarding experience.

The speaker at the General meeting was Judy Fambrough-Billingsley, author of "Too Brown to Keep". Lou Jones who was a neighbor of the Fambrough family introduced the speaker. Below is the link to the talk if you want to view it. I have to say that we did have a few issues conducting the meeting because we did it on our own without a CSUB monitor:

At the end of this *Bulletin* is an invitation from CSUB President Lynnette Zelensky inviting 60+ Members to join the President's Association which funds research projects. Please take the time to read about this project.

Our next Board meeting will be held on **Thursday, March 3 at 1:30 pm** in the CSUB University Advancement Conference Room. If you want to attend via Zoom, here is the link:

**Thursday, March 10 at 2 pm via ZOOM**

Our speakers will be Paul Gipe and his wife Nancy Nies. Paul is the Coordinator on the board of the Kern Chapter of California Native Plant Society and Nancy is an avid photographer.

Paul and Nancy will share with us a few of their short road trips around our region of California. Most are within 2 hours of Bakersfield. Their trips were independent of the CNPS since the club's field trips and meetings were cancelled due to COVID. Needing something to do to replace the club activities they set out on their "Pandemic Peregrinations". On the right is a photo by Nancy at Pine Mountain Club.

Thank you to Trish and Mike Mills, and Linda Cohen for helping me plant 21 bareroot roses in February. Gary Knerr was our cheerleader. I always appreciate his positive attitude. The Mills also donated 3 Wildfire roses. CSUB Grounds personnel dug the holes for us and have been working with me on getting all the sprinklers adjusted for optimum spray. There should be great blooms for Easter.

CSUB 60 Plus Club  
CAMPUS 19AW  
Bakersfield, CA 93311

Dear CSUB 60 Plus Club,

When students conduct research, they grow intellectually while addressing challenges that directly impact our society.

That is why I would like to invite you to become a member of the President's Associates, the most prestigious and longest-standing giving society at California State University, Bakersfield. The President's Associates supports scholarships to conduct in-depth research projects as part of the Student Research Scholars Program. This program gives students hands-on experience with faculty mentors.

This academic year, contributions from President's Associates were used to provide 27 students with research scholarships. One of the scholarship recipients is Amy Fetters, a biology graduate student whose project focuses on the impacts of plastic pollution on the environment. Amy, who is conducting research under faculty mentor Dr. Rae McNeish, earned a statewide honor for her work.

"I definitely want to express my sincere appreciation to the donors that made this program possible," Fetters said. "It has opened doors for so many students, including myself, that we normally wouldn't have gotten if it were not for the program and the President's Associates."

**Your gift as a President's Associate will support research like Amy's.** It will also ensure that we continue to grow this unique and meaningful program for the benefit of our students and the community. To amplify for your support, I will be matching all contributions.

In honor of your commitment, President's Associates members are invited to attend a Recognition Dinner on April 5, 2022. At the event, you will meet the student researchers, faculty and staff who devote their time and energy to the Student Research Scholars Program.

Thank you in advance for your support.

Sincerely,

A handwritten signature in black ink that reads "Lynnette Zolczyny".

Lynnette Zolczyny, Ph.D., MBA  
President

Please see the ballot for the Officers for the 2022-23 year on page 5 of this *Bulletin*. Thanks to Carol Black-Calderwood and her committee for contacting members and inviting them to join the Board.

We welcome new member Sandra Nelson. We now have a total of 88 members.

Please see information about the Installation Lunch on page 6 – the last page of this *Bulletin*. Vice President Carole Guillory has put together a combination Basque Lunch and Speaker for our year ending general event at Benji's French-Basque Restaurant on Rosedale Highway. Hope many of you can attend.

We are still determining if and where we would hold Possibilities in the Fall. Our Board will have to meet and determine. Although we will not have General Meetings during the summer, some Interest Groups and Rose Garden prunings will occur and I hope you will join in. We will try to send out emails about these events or post on our Facebook page.

Our next Board meetings will be held on **Thursday, May 5 and June 2 at 1:30 pm** in the CSUB University Advancement Conference Room. To attend in person, you must complete mandatory COVID screening at [www.csub.edu](http://www.csub.edu). If you want to attend via Zoom, here is the link:

Great news! The University has provided mulch for the rose garden. That will help keep the soil moisture in during the summer and save some water. We have done part of the spreading on Saturday, April 16.

The roses are blooming and the weeds are growing! We will be meeting in the Rose Garden by the Madigan Art Gallery on **Saturdays on April 23 and May 7, 14 & 28 at 8:30 am** for one or two hours. During the summer - **June, July, & August** - we will meet the **2nd and 4th Saturdays from 8-9 am**. We will remove the spent blossoms (deadheading) and hoe the weeds down. The team has been keeping the weeds in hand, so it's just a matter of staying on top of the situation. Bring your gardening gloves, pruning shears, a bucket or bag to drop things into. If you want to help with weed control a hoe and a rake, or a small shovel or gardening fork to get those pesky weeds out. Thank you all for any help you can give! Call or text me at 661-428-1517 if you have any questions.

We are excited to have our Installation Luncheon this year at Benji’s French-Basque Restaurant located at 4001 Rosedale Hwy. In addition to the swearing in of our board members, we will have Pierre Igoa share his first-hand knowledge of the Basque culture. Pierre is the Web Services and Communications Manager at CSUB.

The luncheon will include tri-tip, fried chicken with the usual “set up” which includes soup, bread, salsa, beans, green salad, marinated tomatoes, French fries, and a hot vegetable. Tea, coffee, and water will be served with our meal.

The deadline for reservations is **Tuesday, May 31**. We must have a paid reservation by that date for all who wish to attend.

Come join the fun, food and friends plus an interesting talk by Pierre. Sign up early, so you don’t miss out on a wonderful, entertaining luncheon.
