President's Message

Carla Stanley

(428-1517, searosas53@hotmail.com)

Welcome back! I'm excited to be the new president of this organization. I see the purpose of the 60+ Club as being personal enrichment through lifelong learning, social activities and volunteerism in the campus environment. We will be the best we can be by utilizing the resources of the university and the experience of its members. We are already planning the 2024 Elder College and have been hard at work organizing for a new year. We welcome back from hiatus volunteering at the Well Repository and we're adding a new Interest Group "Crafty Paper Arts". We ask members to share skills and ideas. Check out all of our activities. Meet new people. Look through The Bulletin and find something of interest. Hope to see you at Possibilities Day or even sooner at Fun & Games.

Next board meeting will be **Thursday, September 7 at 1:30 pm** in the University Advancement Conference Room. Anyone is welcome to attend, but we are limited to space so if any non-Board members would like to attend, please contact me.

Possibilities Day - Thursday, September 14 at 9 am at the CSUB Student Union

Splinters from the Board**Carla Stanley****(428-1517, searosas53@hotmail.com)**

This feature is for keeping the general membership informed on what the board is discussing so you can have an understanding of the activities behind the scenes. From our August Board Meeting:

- Two board positions opened up. (Note: Joining the board is the best way to know what's going on.) We are looking for a Director-at-Large and Co-Vice President (Communications). Carole Guillory will work with the Co-VP this year so they will know what to do. Please call me for more information on these positions.
- Possibilities Day was planned. Scholarship, Budget, and Elder College meetings were scheduled.

Elder College**Carla Stanley****(428-1517, searosas53@hotmail.com)**

Elder College 2024 is planning a two-day April 2024 classroom/field trip event. The plan is to prime your mind in the “classroom” as experts speak to you on the fascinating history of man and nature in Kern Canyon - Bakersfield’s Grand Canyon. Then the all-day field trip will travel via the Kern Canyon to culminate at the Kern Valley Museum for a docent lead tour through the museum and the research annex. Let me know if you would like to be on the committee.

Call for Volunteers to Participate in CSUB Kinesiology Department Research

The 60+ Club has been asked to participate in a research study being conducted by the CSUB Kinesiology Department. The purpose of the study is to investigate how cardiovascular health, lower body strength, and falling risk responds to 4 weeks of creatine supplementation in older adults. They hypothesize that creatine intake may improve cardiovascular health, muscular strength, and falling risk. You need to be over 60 in age, in general good health, be a nonsmoker and have no heart or blood pressure meds nor current orthopedic injury. They would like to start the study at the beginning of the Fall Semester. Please contact Graduate Student Money Ghimire, B.S. (mghimire@csub.edu) for more information.

Action Network**Sheila Ross****(444-6839, sheiro6@aol.com)**

President's Message

Carla Stanley

(428-1517, searosas53@hotmail.com)

Thank you all so much for your help making Possibilities Day a success. Guest speaker Dr. Vernon Harper was a phenomenal speaker and recognized the value of volunteerism and creating a caring CSUB family. I look forward to seeing his work as the Interim President of CSUB in the following year. New members came forward with ideas for new club activities that will be announced in the coming months.

I hope to see everyone at our General meeting on October 12 in the Stockdale Room. We will be selling 60+ merchandise (shirts, hats, buttons and cups).

We will also have a "Green Table". Anyone can bring items that they would like to re-home - for example, craft items, books, puzzles. Items should be sized to easily carry.

The next Board meeting will be **Thursday, October 5 at 1:30 pm**. Anyone is welcome to attend but we have limited space, so any non-board members need to contact me ahead of time.

Col. Allen Allensworth who was a former slave, a navy lieutenant colonel, an educator, a pastor and a community leader. He had the vision to create a town where Black residents could prosper.

Food Pantry – We collect goods at each General Meeting. The needs for October include microwaveable meals such as Mac n' Cheese, Top Ramen and Cup of Noodles. As always, any items are appreciated including personal hygiene products. The question was asked by one of our members if they accepted fresh produce . . . think about the over abundance of home gardens such as grapefruit, oranges, zucchini, tomatoes, etc. The answer is YES, YES and YES.

We also wanted members to "Save the Date" of **Friday, December 8** for the Holiday Luncheon at Stockdale Country Club!

Hope everyone enjoyed Possibilities Day. It was a great turn out especially for Theatre Arts volunteers. The next play is *The Courage to Right a Woman's Wrongs*, directed by David Melendez and performed in the Doré Theatre. It highlights one of the Spanish Golden Age's most accomplished female playwrights in this recently translated play. Leonor, intent on bringing her unfaithful lover to justice, crosses geographical boundaries and defies social expectations of gender in a crusade to restore her lost honor. Duels, bandits, and mistaken identities are delightfully combined in this 17th century comedy. Please call me if you have a special date to volunteer, I will be calling in October for volunteers.

Carla Stanley

(428-1517, searosas53@hotmail.com)

Thank you to all who attended our October General meeting and enjoyed the presentation on Allensworth State Park by Sasha Biscoe. We had a cart of food donated for the Food Pantry. Every donation will help a student deal with food insufficiency as they are attending college and trying to stretch their limited dollars to cover all of their needs.

The Green Table was a success with diverse items ranging from books and craft items to jigsaw puzzles finding new homes. Please join in the fun and bring things to trade.

I would love to hear from our members about any activities you would like to be involved in. It could be a one-time event such as a dance or a health and safety fair, or a continuing activity like Fiber Arts or Book Club. We are only limited by our imaginations!

Check out the last page of *The Bulletin* for information and the reservation form for our Holiday Lunch to be held on **Friday, December 8** at Stockdale Country Club. Reservations are due **December 4**.

The next board meeting will be on **Thursday November 2 at 1:30 pm**. Anyone is welcome to attend, but we have limited space. Any non-board member needs to contact me ahead of time.

General Meeting - Thursday, November 9 at 2 pm in the Stockdale Room which is located at the Runner Café. Parking will be in Lots M and K1. Don't risk a parking ticket, place your parking pass on your dash.

Our speaker for the meeting will be Janice Brown Sullivan. After retiring as a teacher, she returned to her first love, aviation. She has been a commercial pilot, charter operator, certified flight instructor, a volunteer with the Civil Air Patrol, and a member of the Ninety-Nines, an international organization of women pilots. The greatest adventure in her aviation career occurred in 1980-81 when Janice was selected from many applicants to be the test pilot for the world's first solar powered aircraft -The Gossamer Penguin. Her courage as a test pilot and her record flights were internationally recognized and culminated with the presentation by President Ronald Reagan of the coveted Harmon Award for exceptional feats in aviation.

Regarding this November meeting and Veteran's Day, there will be a Pinning Ceremony for all veterans in attendance to publicly honor and acknowledge your military service and sacrifice.

CSUB Food Pantry Collection - As breakfast is known as the most important meal of the day, let's bring breakfast goods for our CSUB students. Oatmeal, cereal, canned fruit, protein bars, etc. The above items are suggestions, but feel free to bring whatever you have on hand. Personal hygiene products are always appreciated, too.

The next issue will be for **December 2023 – January 2024** and that deadline is **Wednesday, November 15.**

President's Message

Carla Stanley

(428-1517, searosas53@hotmail.com)

Thank you to all who attended November's general meeting. Janice Brown Sullivan is a fascinating speaker, and I really appreciated the opportunity to hear from someone who made history with her flying exploits. Janis Varner recognized our veterans in attendance with a pinning ceremony and encouraged those veterans who have not taken part in the Honor Flight to do so!

Take advantage of the different activities the club is offering. We had a great time at Crafty Paper Arts, laughing even as we struggled with weaving paper . . . but we were at the library (which is always a great place) and we were with people who could be new friends!

Last year I talked at a General Meeting about Club finances and the cost of room rental at CSUB. This year, we are exploring moving our meetings off-campus. I need input from all of you on what you see as the pros and cons of making the move. Give me a call, email or text if you have any questions or concerns (see contact information above.)

Our Holiday Luncheon at Stockdale Country Club is scheduled on **Friday, December 8**. Please register with Janis Varner by **Monday, December 4** using the attached form at the end of *The Bulletin*. Entertainment will be the wonderful Goldenaires. We will also be collecting donations for the CSUB Food Pantry, sharing a little holiday spirit.

The next Board Meeting will be **Thursday, December 7 at 1:30 pm** at the University Advancement meeting room. Anyone is welcome to attend, but we have limited space. Any non-board member needs to contact me ahead of time. The Board Meeting on **Thursday, January 4** will be held at Upstart Village (201 New Stine, Suite 300) at **1:30pm** to see the potential space we are considering. Please notify me if you are a non-board member and plan to attend.

General Meeting - Thursday, January 11 at 2 pm in the Stockdale Room which is located at the Runner Café. Parking will be in Lots M and K1. Place your parking pass on your dash.

Our speaker for the meeting will be John Hester, an astrophotographer. In his retirement, the Bakersfield man shifted his focus to the skies. He always loved astronomy. And photography. And computers and technology. So, it was a perfect marriage for John to combine his interests. He has traveled extensively over the world photographing aurora borealis, different galaxies and constellations. He will be sharing his fascinating photos of our heavens along with sharing his expertise knowledge on this subject.

Food Pantry: With the cooler weather in January we might think about bringing cans of soup, stew or chili and crackers. Also, the Pantry always has demand for peanut butter, tortillas, pasta, beans, rice, cereal, oatmeal, granola bars, instant noodles/macaroni and cheese. Anything you have in your pantry at home as well as personal hygiene products are always appreciated.

President's Message

Carla Stanley

(428-1517, searosas53@hotmail.com)

2024 is here and we are excited to announce new adventures. The 60+ Club wants to try something new. FEBRUARY GENERAL MEETING WILL BE AT UPSTART VILLAGE (201 NEW STINE, SUITE 300). Cari and her dog from Kern Canine Activities will be our presenters and it will be quite a different kind of presentation—continue reading for more information inside the bulletin on this presentation.

We had a wonderful presentation by John Hester at our general meeting in January. He spoke on astrophotography, what got him into it and how to do it. The members in attendance were fascinated and had many questions for him.

Elections are coming up and you will be receiving a call asking you to join the board. There are many jobs that need to be done to keep an organization moving forward. Ask questions, volunteer for something within your skill set or be willing to learn something new and lend a hand where needed. 60+ is a great organization, but can only move forward with new people volunteering skills and ideas.

Elder College is scheduled for **Wednesday & Thursday, April 17 & 18**. The application form starts on page 6. It is limited to 37 people so sign up soon.

A 60+ member expressed interest in an activity to practice speaking Spanish. Anyone else interested?

The next Board Meeting will be **Thursday, February 1 at 1:30 pm** at the University Advancement meeting room. Anyone is welcome to attend, but we have limited space. Any non-board member needs to contact me ahead of time.

Her focus lies in working with reactive and aggressive dogs, showcasing her proficiency in handling challenging behavioral issues. In addition to addressing behavioral concerns, Cari is well-versed in teaching obedience, conducting trick classes and forming therapy dog teams.

Beyond her training skills, Cari actively engages her own dogs in various competitions and activities. Her dogs participate in competition obedience, scent work, trick competitions, dock diving and agility. She will be demonstrating some of these actions at our meeting.

- We are already planning for our June Installation luncheon and for our Christmas luncheon for next year. (Contact us if you have any feedback about our 2023 luncheon that might be helpful in making our decisions.)
- We are planning a Health and Wellness Fair for our May meeting. It will have representatives from different organizations that can help us "Aging Adults" take care of many different aspects of our lives that need just a little more help than we usually have available. This will be at UPSTART VILLAGE and be advertised to the general public.
- Phil Rudnick, who owns UPSTART VILLAGE, is willing to help 60+ Club expand its outreach into different social and educational activities. More news to come on this front. If you would like to play bridge or mahjong or do conversational Spanish playing Loteria, a bingo-like game, he has rooms we could meet in and we could invite friends to join us.

Election Committee Kathy Wagner (805-8767, Jonwag49@earthlink.net)

The Elections Committee will be meeting later this month to recruit possible candidates for office. We need lots of help to make our club successful so please think about serving in one of our positions. We especially need a secretary to keep records of our meetings. We will meet **Saturday, February 10 from 9 – 10 am** to work in the rose garden. I hope to have some new roses to plant, but we will also need to spread mulch and (probably) weed. It was really chilly in January so I moved the time back a little to give the sun a chance to warm up the rose garden. Thanks to everyone who came out to prune. I spread it out over about two weeks. We got the work done without feeling overwhelmed. We currently have 185 rose bushes.

If anyone wants to donate roses to plant, contact me at the number above and I can explain the options.

President's Message

Carla Stanley

(428-1517, searosas53@hotmail.com)

We had a great general meeting in February at UpStart Village. About 35 people attended to hear Cari Coston talk about dog training in a different way than most of us would expect. I enjoyed seeing new faces and hearing positive feedback about the location. Our March general meeting will be back at CSUB's Stockdale Room where we usually meet.

Thank you to Kathy Wagner for stepping up to do the secretary job in addition to her position as director. She has been busy with her committee calling our membership to find people to fill positions on our board. Please be someone who volunteers to help in on one of our committees. Many hands make light work.

Elder College is just around the corner (Wednesday April 17 – Thursday April 18). Please sign up for this adventure to the Kern Canyon for the low cost of \$100 for two days of activities and meals. The application form was in the February *Bulletin* and can be accessed on our Facebook Page at this link: <https://www.facebook.com/CSUB60Plus/posts/pfbid02F4LbkZrqB25GTaBkPiqgg6NZohWzmogCzRaJakHcjpXbvfMU3m3Yhjk6eBUzEX1ul>. If you need a hard copy, please let me know.

The next Board Meeting will be **Thursday, March 7 at 1:30 pm** at the University Advancement meeting room. Anyone is welcome to attend, but we have limited space. Any non-board member needs to contact me ahead of time.

General Meeting - Thursday, March 14 at 2 pm in the Stockdale Room which is located at the Runner Café. Parking will be in Lots M and K1. Place your parking pass on your dash.

Our March speakers will be John and Ranae Harrer. The Harrers are active participants in the ballroom dance community here in Bakersfield. They enjoy ballroom dancing and like to show others how they can also enjoy this hobby that holds benefits for both mind and body. They will be talking to our club about how dance has affected them personally, and what dance opportunities are available to us locally. They will tell us about their dance journey from both a man's and a woman's perspective as well. The presentation should be informative and entertaining. I think we'll all enjoy it, and who knows, maybe get involved!

Pantry needs: As usual they can use any food items such as rice, beans, tortillas, peanut butter, oatmeal and pasta. Plus the need for baby items such as food, snacks, diapers, formula, etc. as well as hygiene products are always appreciated.

The next issue will be for **April 2024** and that deadline is **Friday, March 15.**
