Bring your gloves and pruning shears, a bucket to drop the trimmings into. When I know I will be weeding, I will bring a gardening fork and knee pads.

I will often work in the garden on other days, if there is a need, and I invite anyone to join me. One hour a day gets things done.

The Board of Directors meeting is set for **Thursday October 6 at 1:30 pm** in the Alumni Office Boardroom. We will discuss adding new activities and Possibilities Day. Anyone is welcome to attend.

Save the Date: **Holiday Luncheon on Thursday, December 8**

Hi everyone. We have a reservation at the Stockdale Country Club for **Thursday, December 8** for our Holiday Luncheon. Accordionist Richard Noel has agreed to perform. The menu consists of salad, drinks, dessert, and four different entree choices: chicken picatta, short ribs, white fish, or vegetarian ravioli. So, I am sure there will be something on the menu for everyone. The cost has increased by \$1 from last year to \$35 per person. More detailed information on the meals and entertainment will be in the next bulletin along with the form to be filled out and mailed to me. Feel free to contact me with any questions.

We will also be collecting items for the CSUB Food Pantry.

The next issue will be for **November** and that deadline will be **Saturday, October 15.**

Welcome to all new members & returning members. This is going to be a great year. Lots of opportunities for volunteers at fun events.

I didn't receive the signups I'd hoped to get for the sporting events. To field the number of games for Volleyball, Men's & Women's Basketball & Baseball that we have, we needed many volunteers. A total of 4 are needed for Volleyball & Women's basketball & Baseball. A total of 7 are needed for the Men's basketball.

That being said, we are going to cover the Hospitality Room prior to Men's basketball games only. 4 are needed for each game. If you didn't not sign up while you were at Possibilities Day or you were unable to make it, please email me.

Look forward to hearing from you. Go Runners!

60+ held its first in person General Meeting in October since the COVID pandemic closed down the campus. Those present enjoyed speaker Erica Kelly's presentation on Kern Endangered Species.

Members were urged to volunteer to fill vacant positions of Director at Large, Special Events and Short Term Projects coordinators. We want to thank Lois Hess for volunteering to take over as Sunshine Chair and we also want to thank Rosalie Brown for her many years of serving at that position.

Members were polled regarding the fund for Elder College. The majority favored continuing to keep the fund separate and reviving Elder College at a later date.

Please see information about our Holiday Luncheon on page 5. Carole Guillory has been busy procuring entertainment and the menu. Reservation deadline is November 28.

The Board of Directors meeting is set for **Thursday November 3 at 1:30 pm** in the University Advancement Conference Room. Anyone is welcome to attend, but we are limited to space so if any non-Board members would like to attend, please contact me.

As November is the Native American Heritage month, we are excited to have Sandra Hernandez of the Tejon Indian Tribe as our speaker. She will share her knowledge and the tribe's history with us. Perhaps we will even get an update on the new Hard Rock Casino to be built.

Sandra is the Executive Council Secretary at Tejon Indian Tribe and has been in that position for the past 3 ½ years. Prior to that she had the position of Tribal Treasurer.

Food Pantry - This month we will be bringing soup and crackers to the meeting in order to help stock the CSUB Food Pantry.

At the last Board meeting, CSUB informed that we currently we have 92 60+ Club Members.

At the General Meeting and by email, a questionnaire was distributed that explains open positions and asks for interested members to apply for the positions that remain infilled. Please consider serving on the Board.

Two Board of Directors meetings are set for **Thursdays, December 1 and January 5 at 1:30 pm** in the University Advancement Conference Room. Anyone is welcome to attend, but we are limited to space so if any non-Board members would like to attend, please contact me.

We hope that you are able to enjoy meeting in person again! After January 1, our membership dues will decrease to \$20 for the remainder of this 60+ year. A membership form is almost always located at the end of *The Bulletin* that you can share with others.

At the 60+ Board meeting in November, it was discussed that we may be increasing the dues next year. The University costs have increased and they are passing the costs on to us. It was also discussed about making parking passes a separate fee. Charges for replacement passes were also discussed. Before any action is taken, it will be discussed at our General meeting.

(428-1517, searosas53@hotmail.com)

At the last general meeting, I informed the members that our income (members' dues) no longer covered our expenses (room rental, IT expenses, parking) and on our election ballot we would be asking the members to approve members paying \$10 for their parking passes separately from their memberships in the next fiscal year. Currently, the club absorbs the cost of the parking passes. There was a discussion of the reasons for the charges at the meeting. For specific information, please contact me.

Parking Passes

Some questions have been raised about parking passes. 60+ Club members are given a discounted price considering the daily meter charges of \$6 and the price per semester for students/faculty is \$93. Please note that 60+ Parking Passes are not transferable and are only to be used for 60+ events or when volunteering on behalf of 60+. If attending other campus events, these passes are not valid and their misuse could lead to suspension of future 60+ parking privileges for the Club.

February will bring buds and weeds and the garden will need our attention. We will meet **Saturday February 11 from 9 to 10 am** to play in the garden. We have more mulch to spread, weeds to pull, and we may still be pruning (depending on the weather). If you feel confident in your skills, feel free to go out when the weather is good and tend to the plants. I will be out there when I can, so I might see you. Be prepared with leather gloves (gardening gloves will do, but some of those thorns go right through to the skin), short-handled pruners, and possibly a gardening saw. Field Trip via Bus leaving from CSUB Parking Lot I – entrance from Camino Media

Wednesday, March 22

Seminar at Hodel's Restaurant, 5917 Knudsen Dr, Bakersfield, CA 93308

This year we have scheduled “Elder College” after a hiatus of over 3 years. Our last session was in October of 2019 when then President Cheryl Tikanen headed the committee. She was such an asset to 60+ as both President and Elder College Coordinator for many years and we want to dedicate this session to her since her passing in 2020.

This Committee was formed because a returned questionnaire from the survey conducted in November indicated that one person was interested in helping organize Elder College. A team was formed in January and, due to the scientific background of team members, a quickly planned event is now scheduled entitled “Nature in Kern County”. Due to the Bus & Restaurant busy schedules, please note that this Elder College is not held on consecutive days.

The Field Trip will be an all-day excursion on **Tuesday, March 14**. We will board at the CSUB south Parking Lot I (display your 60+ parking pass) and head for Wind Wolves Preserve in Southern Kern where a Ranger will guide us. Lunch is included. In the afternoon, we will visit wildflower sites and some Habitat Conservation areas with some commentary.

The **Wednesday, March 22** all-day Seminar will be held at Hodel's Country Dining on Olive Drive. Topics that have been confirmed include:

- An encore presentation about natural areas by Nancy Nies and Paul Gipe. Nancy has taken beautiful wildflower pictures and written extensively for the Native Plant Society
- Frank Helling as John Muir. Frank has worked as a school teacher and a National Park Ranger and has portrayed John Muir for over 20 years. See a write up about him at this website: https://vault.sierraclub.org/john_muir_exhibit/live_presentations/helling.aspx
- “Chinese Exclusion Act” by Dr. Patrick Leung. Patrick is not from Bakersfield but he has embraced the Chinese American culture in Kern County.

Other topics are being scheduled. At the seminar, continental breakfast, buffet lunch and snacks are included.

The payment of \$100 for Elder College is due on Friday, March 3. Space is limited so please reserve as soon as possible. Reservation form is on the next page.

Details will be communicated to Elder College attendees prior to the beginning of the session. Call Karen Polyniak if you have questions.

Meet CSUB 60+ Club Annual Scholarship
Student Recipient

Yadira Ayala.

A note of appreciation to the 60+ Club:

My gratitude for this opportunity and for the donors of this scholarship is beyond words. I would like to take the time to thank the donors for their generous contribution to my education.

As a liberal studies major, my goal is to become an elementary school teacher. While becoming a teacher, I plan to attain a bilingual authorization, as well as a master's degree in curriculum and instruction. Although I do want to be an educator, I also aspire to one day become a director of a migrant program. My greatest aspiration would be making a difference in students' lives who come from low-income households and immigrant parents.

This scholarship will help me reach my goals by providing me with college essentials. Also, this scholarship will help me with the transportation to campus. I live about 40 minutes away from campus and gasoline prices are having a major impact on my finances. Overall, this scholarship is contributing to my success as a college student because I will be focused on my academics and not on financial obstacles. To conclude, I would like to thank the donors once again for their great generosity in aiding my future. I will take this opportunity to better my future, and I will reach my highest potential. I will make a difference in the lives of many students and immigrant children because of the generosity of the donors who are supporting my higher education. I am participating in Alpha Chi Honor Society and the College Assistance Migrant Program. Participating as a food pantry volunteer is also something that I am interested in, and I hope to apply for the fall semester.

Special Circumstances

I am a first-generation student and a daughter of immigrant parents. My parents have worked in agriculture for more than 30 years. They were unable to help me academically due to limited English. However, their support has been endless, and they instilled the value of education in me.

I want to thank the Election Committee and members for compiling the ballot for next year's Board and to all candidates for choosing to serve. The ballot is located on the page 7.

I want to also thank the Elder College Committee for organizing the event in a short time frame. I enjoyed both the Field Trip to Wind Wolves & the Tule Elk Preserve and the Seminar held at Hodel's Country Dining. The Committee consisted of David Hanley, Diane Mitchell and Karen Polyniak.

The Scholarship Committee is being formed consisting of Board Members Carla Stanley (Chair), Lois Hess and Kim Jones. They will join with others from the general membership to review applications.

In hopes to get the general membership more engaged with Board activities, we have a new *Bulletin* section entitled "Splinters from the Board". We hope you enjoy reading it. Thanks again to Carla Stanley for handling these splinters!

Carole Guillory who is temporarily serving as Special Events Coordinator has informed us to "Save the Date" for the Installation Luncheon on **Thursday, June 8** at Stockdale Country Club.

General Meeting - Thursday, April 13 at 2 pm in the Stockdale Room - located at the Runner Café – Parking will be in Lots M and K1. There will be signs guiding us to our parking spots. Don't forget to display your parking pass. Campus Cops are issuing tickets.

Our speaker for the April meeting will be Jenny Purewal who is the Marketing Manager for Hoffmann Hospice. She will share her knowledge on hospice care/palliative care and all the programs offered to their patients and families. Tom and Beth Hoffmann founded Hoffmann Hospice in 1995 and it is the only locally founded non-profit hospice here in Kern County.

Don't let the topic keep you from attending. There is a lot of information that we can gain by this presentation. It will be upbeat and enlightening. And, who knows, they may bring Hoffmann's home baked cookies!

Food Pantry - This month our request from Dr. Jason Watkins, the head of the pantry, is "Peanut Butter and Jelly". Bread would be great too. PB&J always goes fast - never stays on the shelves long according to Jason.

The Last Croissant by Veronica Tijoe and directed by David Melendez at the Doré Theatre

The Last Croissant is a whimsical farce set in a crowded campsite that, due to a miscommunication, is being shared by three very different groups of campers. Each must deal with their own crisis as they set out to find themselves in the woods. Dark humor, gender swapping, and magical realism come together in this unique piece of theatre.

President's Message

James Mitchell

(703-6804, jm6495777@gmail.com)

This is my last full month as President and I took over upon the death of our beloved President Cheryl Tikanen. I was just getting started as President when COVID caused a campus shutdown. We used ZOOM as a work around and we were able to continue the Board meetings and the General meetings. Most of the action and interest groups had ceased to operate and our membership numbers declined.

On Possibilities Day, I said that as COVID faded we would be expanding our activities. We have brought back many interest groups and action groups and our membership numbers have revived. I have enjoyed working with the Board of Directors and made many friends. I have decided that I need to take some time off but will continue to attend and support the 60+ Club activities.

The Election Committee will count the ballots for the incoming Board Election and announce the results at our May General meeting. We invite the incoming electees to attend our June 2 Board meeting. Please also see the Installation Luncheon reservation info on page 7 of this *Bulletin*.

The Board of Directors meetings are now scheduled for the first Fridays as there is more available parking. The next meetings are scheduled for **Friday, May 5 and June 2 at 1:30 pm** in the University Advancement Conference Room. Anyone is welcome to attend, but we are limited to space so if any non-Board members would like to attend, please contact me.

On another note, there exists a "60+ Program" at CSUB and other campuses which is a fee waiver program available to qualified persons who are California Residents and are 60 years of age or older. Enrollment can be either for "degree seeking" or "non-degree seeking" on a space available basis at a reduced rate of \$11 per semester. The cover page of this program is located on page 6 which also contains the CSUB contact information.

Communications Committee

Vice President (Programs)

General Meeting - Thursday, May 11 at 2 pm in the Stockdale Room which is located at the Runner Cafe. Parking will be in Lots M and K1. There will be signs guiding us to our parking spots. Don't forget to display your parking pass. Campus Cops are giving out tickets to those vehicles without passes displayed.

Ahron Hakimi, Executive Director of Kern Council of Government, will be our speaker for the meeting. He will share with us the status and strategy of connecting Highways 99 and 58 via the Centennial Corridor. For many of us this project is one big confusing jigsaw puzzle and hopefully Ahron will help clarify their plan of action. I have requested handouts showing the intended results of the project.

Food Pantry - Dr. Watkins has suggested Mac 'n' Cheese, Top Ramen, Cup of Noodles and other similar items are appreciated.

Members of the 60 Plus Club agree to share their name, phone number, email address and mailing address with general members of the CSUB 60 Plus (60+) Club

Splinters from the Board **Carla Stanley, Historian** *(428-1517, searosas53@hotmail.com)*

This is a feature to keep the general membership informed on what the board is discussing so you can have an understanding of the activities behind the scenes. From our April Board Meeting:

- Christina Lopez of CSUB Enrollment Management talked to us about the 60+ program, CSUB classes available to community members who are 60 or older at reduced prices. Note that information is included on page 6.
- Our first Elder College since 2018 did much better financially than we expected.
- Coffee mugs with the new CSUB logo will be ordered.
- The Goldenaires will be entertaining us at the June Installation luncheon.

Editor's Note **Karen Polyniak** *(246-8763, kpoly@earthlink.net)*
