ASCO Numatics Industrial Automation Engineering College Scholarships -FAH (Vol. 9, No. 28)

ASCO Numatics will award two, \$5,000 scholarships to U.S. engineering students who are pursuing careers in industrial automation-related disciplines. Additionally, ASCO Numatics will make \$1,000 grants to the engineering departments of the colleges in which the winners are enrolled. The scholarships are merit-based and will be awarded on the candidate's potential for leadership and for making a significant contribution to the engineering, instrumentation, systems, and automation professions, particularly as they relate to the application of fluid control and fluid power technologies. Scholarship recipients may be eligible for an ASCO Numatics internship.

The guidelines and criteria for applying for these awards are as follows:
