**\*Course is offered every quarter**

**†Course has prerequisite of EDRS 680**

**Culminating Activities (CA) – At the final phase of their master's degree program, all candidates are required to complete one of the three culminating activities. Candidates have an option of taking EDLT 690 (Thesis) or EDLT 691 (Project).**

**Form the Culminating Activity Committee at least one or two quarters in advance of actually completing the culminating activities. Candidates must work with the faculty committee members (especially the chair of the committee) closely in order to complete the culminating activity.**

**Candidates must check deadline dates for completion of the CA and for actual application for graduation with the Graduate Studies Office.**

School of Education  
California State University, Bakersfield  
9001 Stockdale Highway  
Bakersfield, California 93311-1099
