

Selected Papers from the International Conferences on Virginia Woolf

Woolf Across the Generations, Volume 12, edited by Merry Pawlowski and Eileen Barrett

Woolf in the Real World, Volume 13, edited by Karen Kukil

Woolf and the Art of Exploration, Volume 15, edited by Helen Southworth and Elisa Kay Sparks

Woolfian Boundaries, Volume 16, edited by Anna Burrells, Steve Ellis, Deborah Parsons, and Kathryn Simpson

In production: Volumes 11 and 14

Published at the Clemson University Digital Press and online at the Center for Virginia Woolf Studies, California State University, Bakersfield

Volumes available currently include Selected Papers from conferences held at Sonoma State University in June, 2002; Smith College in June, 2003; Lewis and Clark College, June, 2005; and University of Birmingham, England, June 2006. Volumes in production include conferences held in Wales in 2001 and London in 2004. An annual subscription entitles the user to online access to all titles currently available as well as those which become available during the year. Each volume offers a unique blend of essays by prominent as well as up and coming Woolf scholars, many of which include stunning graphics and each of which explores an aspect of the conference theme.

Selected Papers ONLINE VERSION ONLY
