Independence High School Literacy Plan

Focus: Collaboration and Common Core Support

- RIAP Alumni PLC to meet quarterly to implement literacy plan
- School wide poster on good writing habits for every classroom
- More computer literacy instruction for students
- All teachers should incorporate Google Classroom or other online program to accept digital writing assignments.
- Colleagues present after workshops, conferences, and professional development within departments. Resources and effort needs to be shared.
- ERWC Modules across the curriculum
- School wide reading program in conjunction with One Book, One Kern, One Bakersfield which involves a faculty/student book club.
- RIAP team helps varied disciplines implement Common Core
