California State University Bakersfield opened in September 1970 as the 19th member of the 23-campus California State University system. Its vision is to become the leading campus in the CSU system in terms of faculty and academic excellence and diversity, quality of the student experience and community engagement.

The university is a comprehensive regional university and is committed to excellence in its four schools: Arts and Humanities, Business and Public Administration, Natural Sciences, Mathematics, and Engineering, and Social Sciences and Education. The university is fully accredited by the Western Association of Schools and Colleges, with six programs also accredited by national accrediting organizations.

CSUB is located on a 375-acre site in metropolitan Bakersfield. Some 7,800 undergraduate and graduate students attend CSUB at either the main campus in Bakersfield or the off-campus center in Antelope Valley. More than 90% of CSUB’s tenured/tenure-track faculty has doctoral degrees in their fields of study.

The university operates on a quarter system from September to June with two summer sessions. CSUB has majors in 31 undergraduate degree programs, seven credential programs in education, and 17 graduate degree programs.

CSUB is distinguished by an outstanding faculty, excellent academic programs, and by the extraordinary accessibility of the faculty to students. Small classes and close interaction between students and faculty enhance the learning environment. Over 90% of the tenured faculty earned doctorate degrees in their fields of study. CSUB has the highest percentage of faculty in the CSU with terminal degrees. CSUB hosts numerous centers and institutes, which promote scholarly research and publication and give students an opportunity to conduct research, as well as provide invaluable scholarly and research resources to the community.

CSUB Athletics has been a source of continuing pride for the university and community. CSUB’s 17 sports programs have won 30 national championships. In 1998 CSUB won the Sears Cup as the best NCAA Division II program in the nation. In June, 2006, President Mitchell announced the university’s intention to move its athletics program to NCAA Division I.

The federal Military Selective Service Act (the “Act”) requires most males residing in the United States to present themselves for registration with the Selective Service System within thirty days of their eighteenth birthday. Most males between the ages of 18 and 25 must be registered. Males born after December 31, 1959, may be required to submit a statement of compliance with the Act and regulations in order to receive any grant, loan, or work assistance under specified provisions of existing federal law. In California, students subject to the Act who fail to register are also ineligible to receive any need based student grants funded by the state or a public postsecondary institution.

Selective Service registration forms are available at any U.S. Post Office, and many high schools have a staff member or teacher appointed as a Selective Service Registrar. Applicants for financial aid can also request that information provided on the Free Application for Federal Student Aid (FAFSA) be used to register them with the Selective Service. Information on the Selective Service System is available and the registration process may be initiated online at http://www.sss.gov.

Centers and Institutes
CSUB Centers and Institutes are auxiliary organizations created to encourage applied activity around particular themes and functions. The following centers and institutes conduct studies, carry out research, and provide service in particular subject matter fields:

- **The Business Research and Education Center** is a focal point and resource for faculty research projects, various student programs and projects, and the facilitation of interactive efforts and programs between/amongst the School of Business and Public Administration and a myriad of community, business and government interests throughout the regional Kern County area. Some of the ongoing programs include: (1) The Family Business Institute provides a comprehensive program promoting the success of family owned businesses in Kern County. The FBI is a specifically designed resource that addresses the myriad of issues pertaining to family businesses. The goal of the Institute is to develop a body of knowledge and problem solving techniques that are accessible to all members. The FBI is a public-private alliance among the School of Business and Administration at CSUB, Kern County family owned businesses, and service professionals. (2) The Kern County Technology Transfer Group provides support for the commercialization of technology and technology transfer for technology oriented firms throughout Kern County. (3) The Kern County Export Development Program provides interns for Kern County businesses interested in starting and expanding export trade. (4) The Strategic Management Plan Program offers senior and MBA students the opportunity to analyze and provide Strategic Management Plans, including a comprehensive strategic analysis, to businesses throughout Kern County. These projects will be conducted and completed by teams of senior or graduate students under the direction of CSUB professors. Following an extensive analysis of each business, a completed Final Report will be issued to the participating business.

- **California Well Sample Repository** organization is California’s only facility for the permanent storage and public use of cores, sidewall samples, drill cuttings, outcrop samples, microfaunal slides, foundation borings, and mineral suites.

- **Center for Archaeological Research** has been active in Cultural Resource Management in southern and central California for almost 20 years, completing more than 700 projects. Our experience and familiarity with the historical and prehistoric archaeology of the southern San Joaquin Valley, Mojave Desert, and adjacent areas provides a distinct advantage in the reliable identification and evaluation of cultural resources for purposes of compliance with applicable government regulations. CAR has conducted archaeological research for the Bureau of Land Management, US Forest Service, National Park Service, Department of Energy, U.S. Army Corps of Engineers, US Navy, US Fish and Wildlife Service, Caltrans, as well as various other state, city, county and local agencies.

- **Center for Economic Education and Research** has the following purposes: (a) To enhance economic education by providing in-service workshops and curriculum consultation for teachers and school districts; offering enrichment programs for teachers and students; sponsoring lectures and symposia; and facilitating cooperation among the Economics Department, School of Social Sciences and Education, and K-12 educational community. (b) To raise and allocate funds to support the goals of the Economics Department, including applied regional research; scholarly activity; program development; instructional improvement; student recruitment, retention, and financial assistance; and
sponsorship of public forums and social gatherings. (c) To facilitate externally funded research and contractual work in economics and economics education and utilize indirect grant funds to support the above mentioned goals of the Economics Department.

- **Center for Living and Learning** purpose is to support and undertake research on matters related to aging; facilitate community service programs; organize and facilitate delivery of educational programs relevant to the population of older adults in the community; establish a living laboratory consistent with the mission and purpose of the university for continuous research and development of model programs that enhance the well-being of older adults; and encourage the further development of interdisciplinary programs in gerontology and related subjects at California State University, Bakersfield.

- **Center for Virginia Woolf Studies** was established to further knowledge about the work of Virginia Woolf, especially her feminism and anti-fascism during the 1930s by, among other things: maintaining a website which publishes Woolf’s Reading Notes and manuscripts and provides contextual resource materials related to the online edition thereof; offering enrichment programs for scholars, students and significant segments of the public; and sponsoring lectures, symposia and other events related to the person and work of Virginia Woolf.

- **The Facility for Animal Care and Treatment, also known as FACT**, is housed on 40 acres of the California State University, Bakersfield’s Environmental Studies Area on the campus. All the animals that come to FACT are native to Kern County and the Southern San Joaquin Valley. FACT works in close cooperation with the California Department of Fish and Game, providing comprehensive medical assistance and rehabilitation services to hundreds of sick, injured, and orphaned animals each year. FACT, formally known as the Environmental Studies Area, started in 1972 with a generous grant of $30,950 from the CSB Foundation. Grant money was also acquired through the Kern County Wildlife Reservation Committee and the Kern County Fish and Game Protective Association, a private sportsman’s group, and through volunteer support. The center began with three goals in mind; to assist wildlife agencies, to help the animals, and to provide students with opportunities that they would not normally have been available in environmental studies. FACT has reached out to the community through educational exhibits and environmental presentations that have been offered to the community in outreach programs. The community is invited and encouraged to take an active role in learning more about this educational facility. Volunteers give tours of the facility throughout the year free of charge to the public, allowing the community a rare opportunity to catch a glimpse of nature in a safe environment.

- **Kegley Institute of Ethics** purpose is to enhance the quality of our community by stimulating thought and involvement in ethical issues. It achieves this mission through a renowned lecture series, community-based panels on current ethical concerns, faculty research grants, and student scholarships.

- **Nursing Center for the Advancement of Research/ Evaluation (NCARE)** encourages research, evaluation and the dissemination of information that will benefit the Greater Bakersfield area, the Southern San Joaquin Valley, and the State of California. NCARE will conduct research and evaluation for public and private agencies, institutions and corporations. NCARE will provide basic and applied nursing and health research, evaluation, consultation and related educational services.

- **Osher Lifelong Learning Institute (OLLI)** at CSU Bakersfield’s Extended University is an organization for all Kern County residents aged 50 and better who participates in a community of fellow learners. OLLI provides members opportunities to explore new topics, meet new people, and have fun. In addition, members take classes, teach classes, plan and coordinate activities and organize volunteer projects. Courses and lectures are taught by experts in their field, including local historians, teachers and community members.

- **Politics Research Center** shall have as its purpose to do research and consulting that enhance student training and faculty competence in the following areas: U.S. elections, political participation, intergovernmental relations, and fiscal and regulatory policies; international trade, commerce, and environmental issues; and human rights. The PRC focus is on matters in which power relations, institutions and decision-making processes, and discretion and choice in policy-making are important variables.

- **Public Service Institute (PSI)** makes available university-based resources and expertise to public, nonprofit and health care agencies in the southern San Joaquin Valley so that these organizations might carry out more effectively the duties and responsibilities rendered them by the citizens of the region. PSI has a three-fold mission: (1) to provide state-of-the-art technical, supervisory, managerial, and leadership training and assistance to public and nonprofit agencies in the service area; (2) to provide policy analysis and program evaluation assistance and training to public and nonprofit agencies in the service area to improve their service delivery and policy effectiveness; (3) to build international linkages that will be of benefit to CSUB students and practitioners in our service region.

- **The Institute for Social and Community Research (ISCR)**, formerly known as the Applied Research Center (ARC), is the behavioral and organizational research arm
of California State University, Bakersfield. ISCR also is an especially thorough teaching and learning laboratory for faculty and students.

- **The West Coast GeoTechnology Training Center (GTTC)** located in the Geology Department on the campus of the California State University, Bakersfield. It is modeled after similar centers sponsored by the American Association of Petroleum Geologists in Houston, Midland and Dallas, Texas and Golden, Colorado. The center’s purpose is to provide local and cost-effective training in UNIX and PC-based workstation skills necessary to succeed in today’s petroleum exploration and production market. Because most training centers for petroleum software are located in Texas and Colorado, the West Coast GTTC provides a cost-effective alternative for local professionals and students to receive software training without incurring prohibitive per diem expenses involved in traveling to more remote training centers. ArcView GIS training is also available at the center. Through our relationships with corporate partners and government agencies, GTTC is able to provide educational advantages no other public university west of the Rockies can provide.

- **Valley Information Center** organization shall have as its purpose to maintain archaeological site record information for Fresno, Kern, Kings, Madera, and Tulare counties. For information on any of these and other CSUB Centers please contact the Office of Grants, Research and Sponsored Programs at (661) 654-2231.

**Food Service**

The Runner Café, The Roost, Peet’s Café, and the Dining Commons are operated by ARAMARK Higher Education. The Runner Café is open Monday through Thursday 7:30 am to 4:00 pm, Friday until 7:30 am to 2:00 pm. The Roost is open Monday through Thursday 12:00 pm to 7:00 pm and closed on Friday. Peet’s Café is open Monday through Thursday 7:00 am to 8:00 pm and Friday 7:00 am to 2:00 pm. The Dining Commons is open to the public. Togo’s Sandwich Shop located in Science III Building is open Monday through Thursday 7:30 am to 7:00 pm and Friday 7:30 am to 3:00 pm.

**Getting To Know The Campus**

Orientation programs provide newcomers with an introduction to academic life and the campus community. Conducted virtually year-round to accommodate all students, University Outreach provides newcomers an opportunity to become better acquainted with the university. Students entering at the beginning of the academic year are given three options: April orientations for transfer students and first-time freshman; May and Summer orientations for any new students; and September orientation before the first day of class for the fall quarter. Sessions for first-time freshman family members are also offered.

Students entering at the Winter and Spring quarters have two orientation options: a program is offered during preregistration period before each quarter and an orientation briefing is presented the first day of the quarter. There is a fee for participation. For more information, contact New Student Orientation Program office at (661) 654-3388 or www.csub.edu/admissions/orientation/.

**Parking Information**

The California State University Police, as a sworn law enforcement agency pursuant to California Penal Code Section 830.2, is responsible for the enforcement of parking and traffic regulations at California State University, Bakersfield. Parking regulations and ordinances are enforced 24 hours per day, 7 days per week. If not otherwise specified, all ordinances and laws contained in the California Vehicle Code are applicable to the operation of vehicles on this campus. All parking citations and fines are processed through Parking Management Bureau, 801 West Monte Vista Ave, Turlock, CA 95382. Failure to pay parking fines may result in the withholding of vehicle registration by the State Department of Motor Vehicles, Section 41103 C.V.C, and possible immobilization or towing per Section 22651(i)(1) and 22651.7 C.V.C.

University Parking Regulations require that the permission to park on campus is dependent upon the payment of an established parking fee and possession of a daily, quarterly, annual, or temporary activities permit (except in metered, loading, time limited zones or by issuance of a visitor’s permit). These regulations apply to students, the general public, and state university employees.

Permits may be purchased during registration at a designated station or at any time during normal business hours from the Accounting Office. Daily Parking Permits are available 24 hours a day from dispensers at each entrance to the University.

Paid parking is in effect 24 hours a day, seven days a week. Permits are valid as indicated with beginning and ending expiration dates on the permit. The permit or decal must be clearly visible at all times to be valid. The parking decal is not transferable and must not be altered. Visitor permits will be valid only when displayed as directed on the permit.

All areas on the campus where vehicles may be legally parked are designated. Motorcycles and other motorized two-wheeled vehicles shall be parked in designated areas. Parking areas marked with a green curb or a posted sign are time-limited areas. Parking spaces marked with a yellow curb or a posted sign are loading areas with a time limit. Areas marked in red or a posted sign are designated no parking zones. Metered spaces are provided for short-term parking. Parking permits are not valid in metered spaces.

Disabled parking spaces for persons with physical disabilities are designated in each major parking lot on campus. Disabled spaces may be used by vehicles displaying a valid DMV issued
Disabled Placard and a valid CSUB parking permit. Persons with a temporary physical condition in need of disabled parking can apply for a one-week temporary parking permit. Contact the Student Health Center for further information at (661) 654-2394.

Revised CSUB Smoking Policy
(Effective September 6, 2011 and supersedes all previous CSUB smoking policies)

California State University, Bakersfield strives to provide a healthy, smoke free environment for its students, faculty, staff, visitors and the general public. CSUB’s smoking policy has always prohibited smoking in most areas including buildings, courtyards, walkways, vehicles, and within 20 feet of entrances and exits to buildings. As the adverse health effects of second-hand smoke are better understood now than previously, CSUB’s policy is hereby revised.

Smoking is permissible only where designated as a smoking area through signage

Designated smoking areas are located conveniently throughout campus. A map of designated smoking areas is available on the University’s Home Page and at the following locations: Safety and Risk Management, University Police, Human Resources, Student Affairs, and the Student Union. Questions regarding the designated smoking locations may be addressed to Safety & Risk Management.

Smoking is prohibited:
• In all State owned, leased or rented vehicles. This includes vans, busses, mobile equipment, electrical carts, and heavy equipment.
• In enclosed areas such as buildings, courtyards, and breezeways.
• Within 20 feet of entrances and exits to buildings.

At the Children’s Center, Student Health Center, Student Recreation Center, Student Union and Runner Café Patio areas, Science III Outdoor Patio (North West End), athletic fields, and bleachers.

Signs prohibiting smoking shall be prominently displayed throughout campus. Ash cans will be removed from all campus locations except for the designated smoking areas. Any member of the campus community may respectfully ask individuals to comply with this policy. There shall be no reprisal against anyone seeking assistance in enforcing this policy. New employees will be notified of the policy by the Human Resources Management Office upon employment.

Walter W. Stiern Library

The Walter W. Stiern Library, completed in 1994, is an attractive and useful resource for CSUB students, faculty, and staff. This 150,000 square foot, five-floor complex includes library collections and services, computer labs and classrooms, a media center, faculty and graduate student study carrels, group study rooms, as well as instructional television studios. ADA compliant seating and computing equipment is also available. Wireless Internet access is available throughout the library.

Stiern Library personnel offer an array of services and programs. To assist students and faculty, research assistance is provided by librarians at the Reference Desk, the Research Corner and by appointment, phone, email or 24 Hours a day by online chat. Library courses, tours and orientations are offered every quarter.

For students taking CSUB courses outside the Bakersfield area, the Library’s Distance Services program provides library access and assistance to currently enrolled CSUB students. A full-time librarian is available to provide research assistance to students in the Library Resource Center at the CSUB Antelope Valley Center. E-Resources, article delivery, and book delivery are provided for Antelope Valley students and for CSUB distance students taking courses at other locations.

The Library provides access to over 45,000 electronic journals and a half a million volumes of books. Other collections housed in the Library include the campus archives, special collections, and book collections focused on California history, First-Year Experience, and multicultural topics among many others. Off-campus access is available for the Library’s electronic resources with a current CSUB ID and an Internet connection. A course reserves collection includes electronic and print materials for course assignments. Additionally, if the Library does not own or have access to a particular article or book, current CSUB users can request the material through the Interlibrary Loan Service.

The Library’s web page is the portal to library resources including online periodical databases and reference sources, the Library’s online catalog, subject guides, and links to other services such as Distance Services, Interlibrary Loan, Course Reserves (online and print), and library courses.

For more information about the Library, please call 661-654-3172 or visit in person or via the library web site: http://www.csub.edu/library/.
USING EMAIL AS OFFICIAL STUDENT COMMUNICATION

Policy Statement
California State University, Bakersfield (CSUB) will send communications to students by email. CSUB provides students with an email account upon the student’s enrollment to the institution. This account is free of charge and remains active one calendar year following the last enrolled term.

A university-assigned student email account is the official means of university communication with all students. Students are responsible for reading all information sent to them via their university email account. If a student chooses to forward his or her university email account, he or she is responsible for all information, including attachments, sent to any other email account.

Reason for Policy
Email is the primary method of communication between the university and students. Upon enrollment, students are informed about their university email account, and that students are responsible for the emailed information. It is imperative that students understand that information will be communicated to them via their university email account while they are enrolled.

Definitions (As related to this policy)

University Communication
Any communication from the university related to a student’s enrollment, financial responsibilities, participation in athletics or student activities, and compliance with University policies and procedures, including the Student Standards of Conduct.

Student
Any student currently enrolled or eligible to enroll as an undergraduate and/or graduate student (Student status starts upon enrollment and is defined by unit load).

Enrolled
Any student that carries a unit load for an academic term.

Eligible to Enroll
Any student that meets the requirements to enroll in current and subsequent terms.

Student Responsibility
CSUB recommends that students check their email accounts daily. If a student chooses to forward his or her university email account, he or she is responsible for all information, including attachments, sent to any other email account. Students are responsible for reading, in a timely fashion, university communications sent to their university email account.

Failure to read university communications may result in missing payment deadlines, scholarship opportunities and deadlines, registration deadlines, course related information, immunization requirements, opportunities for financial aid, requirements and deadlines for graduation, etc.

Email shall not be the sole method for notification where another method of communication is required by law.
