**Satisfactory Academic Progress (SAP)**

Both components must be cumulative in nature, and must be evaluated by the University at least once per year to certify the student’s SAP.

Student eligibility for all federal, state, and institutional financial aid programs is affected by this policy. It is the responsibility of every CSUB financial aid recipient to read, understand, and comply with these standards of eligibility. Students may view the Satisfactory Academic Progress (SAP) guidelines in full detail on our website at http://www.csub.edu/finaid/content/receiving_aid/sap_standards.shtml.
STUDENT RIGHTS / TERMS and CONDITIONS

Financial aid recipients are advised of their rights and responsibilities with respect to their financial aid and scholarship records. In consideration of limited catalog space, students are encouraged to refer to the OFA&S website at http://www.csub.edu/finaid/content/right_to_know/terms_conditions.shtml for more detailed information.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act affords students certain rights with respect to their educational records including: 1) the right to inspect and review their educational records within 45 days of the day the University receives a request for access; 2) the right to request the amendment of their educational records that they believe are inaccurate; and 3) the right to consent to disclosures of personally identifiable information contained in their educational records, except to the extent that FERPA authorizes disclosure without consent. Students may provide their written consent to release confidential information to their parents, spouse, or other individual by completing the Student Consent Form at http://www.csub.edu/finaid/content/forms/general.shtml.

WITHDRAWAL

Financial aid recipients who completely withdraw from CSUB will be subject to a pro-rata calculation of “earned” Title IV aid based on the withdrawal date and the requisite return of federal Title IV funds to the appropriate accounts. Responsibility for repayment of these funds will be shared by CSUB and you, according to policies and procedures contained within the federal formula for pro-rata refunds of unearned Title IV aid. The portion of unearned Title IV funds that must be repaid by you and CSUB is calculated by the Financial Aid and Scholarship Office. The percentage of earned Title IV funds, excluding Federal Work-Study, is based on the number of calendar days you completed before withdrawing, divided by the number of calendar days in the quarter. Breaks in enrollment of five consecutive calendar days or more are excluded from the number of calendar days in the quarter. No repayment of Title IV funds will be required for withdrawals occurring after the 60% point of the quarter. Withdrawal BEFORE the first day of classes of a quarter, but AFTER you have received payment for that quarter requires 100 percent repayment of all funds paid to the student, including student loans of any kind. If you are required to repay a portion of your aid due to having withdrawn, you will need to discuss options for repayment with the CSUB Student Financial Services Office.

Important Note: Financial Aid Withdrawal Calculations by the CSUB Office of Financial Aid & Scholarships are separate from the Fee Calculations by the CSUB Student Financial Services Office (Bursar). A student who withdraws may not owe a balance to the university, but may still owe all or part of their student loans to their lender.
