Concentration Options

A concentration is a group of courses officially recognized as providing specialized knowledge within a bachelor’s degree program. Completion of a concentration is noted on the student’s transcript and diploma. Students must formally declare a concentration to ensure it is recognized upon graduation. Economics majors are not required to complete a concentration but have the option of completing any of the concentrations offered for the B.S. in Business Administration instead of the General Option. There must be a minimum of 15 units of courses in the concentration that are not simultaneously applied toward other major requirements. Completion of a concentration requires from two-to-four more courses (6-12 units) than the General Option.

The following Business Administration concentrations are available:
