

# Two-Year Roadmap to Graduation for Community College Transfer Students

## BS in Chemistry with Concentration in Biochemistry

### Community College

Year	Fall Semester	Spring Semester
------	---------------	-----------------

Those transferring from community colleges can graduate in two years if they have the following requirements satisfied:

**1 - 2** 1 yr. Chemistry\*, 1 yr. Calculus\*, and 1 yr. Physics\*, All Lower Division General Education.

Please make sure that these courses transfer to CSUB and are recognized as their CSUB equivalents on your transcript.

Year	Fall Quarter	Winter Quarter	Spring Quarter
------	--------------	----------------	----------------

<b>1</b>	CHEM 331 (5) BIOL 201 (5) HIST 231 or HIST 232 (5)	CHEM 332 (5) BIOL 202 or 203 (5) CHEM 350** (5)	CHEM 333 (5) GRE (5) GE Theme 2 or 3 (5)
----------	--	---	--

<b>45 units</b>	<b>15 units</b>	<b>15 units</b>	<b>15 units</b>
-----------------	-----------------	-----------------	-----------------

<b>2</b>	CHEM 340 (5) BIOL 3xx or BIOL 4xx (5) GE Theme 2 or 3 (5) GWAR (exam)	CHEM 440 (5) CHEM 390 (3) GWAR or elective (5)	CHEM 355 (6) CHEM 490 (3) CHEM 450** (5)
----------	--	--	--

<b>42 units</b>	<b>15 units</b>	<b>13 units</b>	<b>14 units</b>
-----------------	-----------------	-----------------	-----------------

\* Must be acceptable for the major (e.g., Chem 1A and 1B at B.C.).

\*\*May be substituted for upper division Biology coursework with consent of advisor.
