

Disneyland

AND

CSUB

Disney is now officially a part of CSUB!

Disney is dedicating significant resources to CSUB to promote the Disney College Program! The Disney College Internship Program in Anaheim is a truly one-of-a kind 9 month skill building experience! Students who intern with Disney have the unique opportunity to work within the Theme Parks and Resorts while earning college credit, building transferable skills, interacting with leaders within the Disney corporate structure and gaining real work experience while being part of a team of Cast Members from hundreds of job disciplines! It's an opportunity of a lifetime and CSUB students are taking part!

Disney visited CSUB several times during Fall Term 2007 to promote the program and interview students. Three CSUB students joined the Disney College Program in January with more to follow later this year! To continue this amazing momentum, Disney will return this February for an exciting event called, **BIG MOUSE ON CAMPUS!** This event will include games, events, activities and classroom presentations focused on Leadership, the Disney Brand, Communication, The Job Search, Resume Development and of course, to promote the Disney College Program!

BIG MOUSE ON CAMPUS SCHEDULE

Antelope Valley Campus on February 25th from 3 - 6pm!
Bakersfield Campus on February 26th and 27th from 9 - 6pm!

For More Information about BIG MOUSE ON CAMPUS please contact the CSUB Career Development Center at 661-654-3033.
