- Complete a Senior year English course to maintain exemption **(see below)**

EXEMPT from EPT/ELM and Early Start.
**CONGRATULATIONS**, you are ready to enroll in College Level English and Math!

---

* CSU Approved 4th Year Mathematics Courses*

The following high school courses have been approved:
- Trigonometry and Math Analysis
- Pre-Calculus
- AP Calculus AB
- AP Statistics
- Algebra 2 is approved if your high school counselor deems it appropriate for you to retake this course in your senior year
- Any other year-long high school math course with Algebra 2 as a prerequisite is approved
- Supervised e-Learning Course: Completion of an online instructional program monitored by CSU math faculty prior to high school graduation will meet the ELM requirement. This is your best option if you are not enrolled in an approved senior year math course.

For more information about the e-Learning Course, please visit: www.csunmathsuccess.org/elearning

**CSU Approved Senior Year English Courses**
- Advanced Placement
- Expository Reading and Writing Course (high school would need to meet criteria for implementation)
- International Baccalaureate
- Weighted Honors

---

**Other Ways to be Exempt from the EPT/ELM**

Need one or more of the following to be exempt from ELM:
- A score of 550 or above on a College Board SAT® Subject Test in Mathematics (levels 1 or 2)
- A score of 3 or above on the College Board Advanced Placement (AP) Calculus AB, Calculus BC, or AP Statistics Exam
- Completion (grade "C" or better) of a course at another college which satisfies the mathematics/Quantitative Reasoning requirement in General Education

Need one or more of the following to be exempt from EPT:
- A score of 3 or above on the Advanced Placement (AP) Language and Composition or Literature and Composition examination
- Completion (grade of "C" or better) of ENGL IA, College Composition, or its equivalent at another college
