PROGRAM OVERVIEW
The CSUB Project Management Certificate Program is designed to give project managers and team members the tools and skills necessary to successfully manage and contribute to the success of their projects, regardless of industry or specialization. Best of all it is 100% online, so even busy professionals can participate when it is most convenient for them.

The course content is based on A Guide to the Project Management Body of Knowledge (PMBOK® Guide), published by the Project Management Institute (PMI®). Project Management Professional (PMP®) Certification is available through the Project Management Institute. Candidates can satisfy the educational contact hour requirement by successfully completing this program. CSUB Extended University is an approved PMI® Global Registered Education Provider (R.E.P.)
Project Management
Online Certificate

WHO WILL BENEFIT
• Professionals who plan, manage, or control projects within an organization
• Individuals who need to formalize their project management skills
• Those interested in learning the latest project management methodologies
• Anyone managing multiple projects or tasks
• Those desiring to take the PMI®'s Project Management Professional (PMP®) Exam
• Professionals interested in a career in project management

ADMISSION
If your goal is to complete all five courses for the certificate, you must submit an application and pay the application fee. Application forms can be obtained by contacting the Extended University or visiting our web site at www.csub.edu/euprofessional. Admission to the program is permitted any quarter. If you do not have any project management background or knowledge it is suggested that you enroll in either Fall or Spring quarter and take the courses in sequence.

PROGRAM REQUIREMENTS
To earn the CSUB certificate in project management, you are required to complete all five courses. There is an optional sixth course that you can complete to help better prepare you for the PMP® Exam. If you are a former student of the Master’s of Science in Administration (MSA) offered by CSUB Extended University and successfully completed ADMIN 515, the first two courses (MGMT 801 and 802) in the project management program are waived for you. You will only be required to complete the remaining three courses (MGMT 803, 804, 805) to earn the certificate. Application and application fee will are also required.

All courses are taught by Dr. R. Dohn Kissinger, MBA, PhD, PMP®
Dr. Kissinger has over 25 years of business and project management experience, and is the developer of The 7 Steps of Project Success™. He was awarded an MBA at California State University, Sacramento and a Ph.D. in Engineering from Purdue University. He is certified as a Project Management Professional (PMP®) by the Project Management Institute (PMI®) a Blue Belt in Microsoft Project and as a Black Belt Professional in Microsoft Server by the International Institute for Learning (IIL). He is member of PMI® and MPA, the official association for Microsoft Office Project.
