Drug and Alcohol Studies Application Essay

Incorporate answers to the questions below into an essay. The essay should be answered using a separate sheet(s) of paper. Your essay should be typed and double spaced.

We believe everyone has had experiences in their life that have been difficult. Think of one such example in your life and, in 500 words or less, answer the following questions.

1. What difficulty did you overcome?
2. Describe the events that led to the situation.
3. How did you identify that a change was needed?
4. Address the steps you took to resolve the situation.
5. What was the outcome?
6. What have you learned from this experience that will help you in this program?
