

Final Exam Schedule—Fall 2017

The schedule is based on the first day of the week on which your course meets. If your course is a lecture/lab or lecture/activity combination, use the first day of the lecture meetings to determine your exam day and time. Also, if your course overlaps two or more of the final exam time windows, use the window in which your course meets for most of the time. On-line courses shall designate the 8:00-10:30pm timeslot on December 18th or December 19th for their final exams.

CSUB policy provides that no student shall be required to take more than two final examinations on the same day. If a student has more than 2 exams on the same day, the student should contact the course instructors and request a special arrangement. If no instructor agrees to reschedule, the exam in the lowest enrolled course shall be rescheduled for that student.
