Financial Aid Applicant Information:

Student Name: _____ CSUB Id: _____
(Please Print)

Signature: _____ Date: _____

In the past, students who possessed a baccalaureate degree were required to be formally admitted to a graduate program of study prior to being considered for Federal Title IV Student Financial Aid. A curriculum plan will allow students who already have a BA/BS degree and wish to receive a second BA/BS degree to possibly receive aid. There are no Federal grants available to 2nd BA students. Annual and cumulative undergraduate loan limits will apply. For example, CSUB requires 180 units to receive a BA/BS degree, if your 2nd BA degree program requires 95 new units, you will be equivalent to a sophomore in your new degree program and will have appropriate loan limits. The following conditions must be met:

1. The student must have already applied for admission to the University as an unclassified post-baccalaureate student and be seeking a 2nd bachelor's degree
2. A faculty member and/or advisor designated by your prospective department must complete and sign this form. By completing this form, the faculty member and/or advisor will be certifying that the student is seeking a 2nd bachelor's degree and outlining what specific courses, or other requirements, must be met by the student to complete degree.
3. Please note that only those courses listed on this form, as required, can be counted in order to determine if the student satisfies financial aid office enrollment status requirements for aid award.
4. This form is designed to primarily satisfy documentation requirements for the CSUB Financial Aid Office. Please work carefully with the advisor so that you fully understand the classes required to complete your 2nd bachelor's program at CSU Bakersfield. The student understands that other classes may not be taken without appropriate review and approval of the CSUB Financial Aid Office.
