Marshall Scholarships - FAH (Vol. 6, No. 35)

Students are advised that Marshall Scholarships finance young Americans of high ability to study for a degree in the United Kingdom. At least forty Scholars are selected each year to study either at the graduate or occasionally undergraduate level at an UK institution in any field of study. Each scholarship is held for two years.

As future leaders, with a lasting understanding of British society, Marshall Scholars strengthen the enduring relationship between the British and American peoples, their governments and their institutions. Marshall Scholars are talented, independent and wide-ranging, and their time as Scholars enhances their intellectual and personal growth. Their direct engagement with Britain through its best academic programs contributes to their ultimate personal success.
