Sallie Mae Fund Unmet Need Scholarship - FAH (Vol. 7, No. 66)

Students are advised that the Sallie Mae Fund Unmet Need Scholarship will supplement financial aid packages for low-income students by providing funds to cover financial need not met through typical financial aid channels including grants, work-study, loans and other scholarships.

The scholarship is part of The Sallie Mae Fund's Project Access initiative, designed to improve access to higher education by targeting under-served populations with information, resources and scholarship dollars. Scholarship America, a national nonprofit educational support and student aid service organization, administers the scholarship as part of the Project Access initiative.

Guidelines:

- The scholarship will supplement the financial aid package - not substitute for aid - received from an institution.
- Scholarship awards, ranging from \$1,000 to \$3,800, will be made payable to the school on behalf of the student and are intended to supplement, rather than substitute for aid received from an institution.

Criteria:

Student applicants must:

- Be a U.S. citizen or a permanent resident
- Demonstrate unmet financial need of more than \$1,000 after the financial aid package has been determined
- Have a family adjusted gross income of \$30,000 or less
- Be a high school senior or graduate planning to enroll or a student already enrolled in a full-time* undergraduate course of study at an accredited postsecondary institution
- Have a cumulative grade point average of 2.5 on a 4.0 scale or the equivalent.

Application and Process:

Eligible students must submit a completed application, Student Aid Report (or Institutional Student Information Report), Financial Award Letter, and transcript of grades to Scholarship America by the postmark deadline of **May 31, 2006** to be considered for The Sallie Mae Fund Unmet Need Scholarship Program.
