Hispanic Excellence Scholarship Fund (HESF) - FAH (Vol. 8, No. 41)

Students are advised that the Hispanic Excellence Scholarship Fund's (HESF) 2007-2008 Scholarship Application form is now available for those planning to attend CSUB in Fall 2007.

The Hispanic Excellence Scholarship Fund is a California State University, Bakersfield initiative launched in 1984 by former President Tomás A. Arciniega.

The Hispanic Excellence Scholarship fund Advisory Board was organized with representatives from the local business and educational communities.

According to new CSUB President Dr. Horace Mitchell, "...this is one of our university's most successful scholarship efforts which focuses on making a college education accessible to academically excellent, financially needy students with the potential for leadership. As HESF rewards academic excellence, it is an important contributor to, and an example of, the excellence we seek at all level."

To be eligible for the HESF and Future Scholars awards, students must be California residents, a graduate of a California high school, meet regular CSU admission requirements, and enter Cal State Bakersfield on a full-time basis. There will be approximately 70 scholarship awards of \$1,500 or more.
