Priority Application Deadline: April 1, 2009

Online form: <http://www.csub.edu/finaid/forms>

GENERAL INFORMATION

The University is currently accepting scholarship applications for the CSUB Academic Scholarship Program for the 2009-10 academic year. In order to receive maximum scholarship consideration, we recommend that CSUB students submit a completed scholarship application and two letters of recommendation by the priority scholarship filing deadline of April 1, 2009. First-time CSUB students are encouraged to submit a copy of their most up-to-date college or high school transcript in order to verify their GPA.

High school seniors, who will be first-time freshmen in the Fall of 2009, should complete a CSUB Freshmen Scholarship Application, which also has an April 1, 2009 deadline. These applications are available online at <http://www.csub.edu/finaid/forms>, or through the Office of the Associate Vice President for Academic Programs and Dean, Undergraduate Studies at (661) 654-3420 and/or your high school counselor.

The CSUB Academic Scholarship Program includes the awarding or administration of the following types of scholarships:

- 1) Campus-Based Scholarships:** are those scholarships which require the participation of CSUB personnel in the selection of recipients. This includes scholarships which are funded through endowments or annual donor contributions that designate a CSUB school or department selection committee, and/or faculty or staff member, as the qualified person(s) to select a recipient from a pool of eligible applicants. This category includes most scholarships awarded to incoming freshmen.
- 2) Specialized Scholarship Programs:** are those campus-based scholarships which are not exclusively for incoming freshmen or considered to be associated with, or awarded by, a specific school or department. Each specialized scholarship has its own requirements and qualifications. This category includes CSU System-wide scholarships.
- 3) Non-Campus-Based Scholarships:** are those scholarships which do not require the participation of any CSUB personnel in the selection of recipients. These include scholarships where the recipients are determined by the

donor or donor organization. These scholarships may or may not require their own specific application to be completed (separate and apart from this application). Check with the Office of Financial Aid & Scholarships for the correct application process for particular non-campus-based scholarships of interest.

SCHOLARSHIP REQUIREMENTS

To be eligible for scholarship consideration, students must meet the following CSUB requirements:

- 1) Academic Requirement:** Academic achievement is usually a major criterion used in selecting scholarship recipients. High school, community college, or CSUB grade point averages are usually reviewed with minimum qualifying GPAs ranging from 2.50 to 3.50. In general, the majority of academic scholarships require a qualifying cumulative GPA of 3.0.
- 2) Enrollment Requirement:** Students applying for scholarship consideration must be enrolled full-time (12 units as an undergraduate; 8 units as a graduate student), or be planning to be enrolled full-time for the full academic year. On occasion, a few donors may allow the consideration of less than full-time students.
- 3) Application Requirements:** A completed (preferably typed) CSUB Academic Scholarship Application and at least two 2009-10 Academic Scholarship Recommendation Forms must be submitted to the Office of Financial Aid & Scholarships located in the Student Services Building. Incomplete applications, or applications missing a recommendation form(s), will not be considered for review in the selection process for scholarships. Therefore, it is the applicant's responsibility to verify if all necessary documents have been received by the Office of Financial Aid & Scholarships in order for their application to be considered complete.
- 4) Deadline Requirement:** Priority consideration will be given to those students who submit a completed scholarship application by the Priority Application Deadline of April 1, 2009 and who meet the campus scholarship requirements and/or the specific donor's scholarship requirements.

Scholarship Notification: Students selected to receive a scholarship will be notified by mail by the Office of Financial Aid & Scholarships. Students who request to be entered in specific scholarship application pools and who were not selected may or may not be notified of their non-selection, depending on the availability of time and resources.
