2005-06 Association of California Water Agencies (ACWA) Scholarship Program - FAH (Vol. 6, No. 16)

Students are advised that the Association of California Water Agencies (ACWA) is proud to continue its academic scholarship program for the 2005-06 year.

The ACWA will award a minimum of six \$1,500 scholarships this spring to qualified students in water resources-related fields. Water resources-related majors include, but are not limited to, environmental studies, biology, earth sciences, engineering, conservation and resource management, landscape architecture, irrigation science, and ecology.

Eligible students must be California residents attending selected California colleges (CSUB is one) full-time as a junior or senior during the 2005-06 academic year.

To obtain an application and guidelines for the ACWA Scholarship Program, please access ACWA's Web site at http://www.acwanet.com/news_info/scholarships/.

Information is also available by calling ACWA at (916) 441-4545.

Applications must be postmarked no later than **APRIL 1, 2005**.
