

Financial Aid Highlights

Financial Aid Highlights is a periodic electronic news update provided by the Office of Financial Aid & Scholarships for the benefit of prospective and continuing CSUB students and parents, high school and community college counselors, faculty, and staff. The electronic publication will contain informational items pertaining to financial aid and scholarships of relevance to the CSUB community. Past issues are archived on the Financial Aid & Scholarships homepage at <http://www.csub.edu/finaid>. Additional information regarding any given topic may be obtained by calling the office at (661) 664-3016.

SEMA Memorial Scholarship Fund - FAH (Vol. 7, No. 14)

Students are advised that the SEMA Memorial Scholarship Fund was founded in 1984 to foster leadership opportunities in the specialty equipment marketplace and support educational goals for students. Over the past two decades, SEMA Scholarships have supported over 400 students with more than \$500,000 in scholarship awards.

The program rewards the best and brightest students engaged in studies leading to a career in the automotive aftermarket or a related field.

SEMA Memorial Scholarships and Eligibility

In response to the rising costs of education, the SEMA Scholarship program was restructured in 2004 to cover a broader base of students attending various universities, colleges, and/or vocational schools in both the United States and Canada. To further offer incentives for students to apply for SEMA scholarships, the award categories were increased with incentives positioned for the top applicant with the highest academic standing in select categories.

Academic Level	Educational Institution	Scholarship Awards Available
Graduate Studies	4-year accredited University of College	\$4,000 * \$2,000
Undergraduate Studies – Senior or Junior Class	4-year accredited University of College	\$4,000 * \$2,000
Undergraduate Studies – Sophomore Class	2-year University or College	\$1,000
Vocational or Technical School	2-year Program	\$1,000

** Top scoring applicant to receive higher scholarship award based on established evaluation criteria.*

Student Qualification Requirements

- Minimum 2.5 grade point average
- Applicant must be enrolled in a full-time program with an accredited university, college, or proprietary program in the United States or Canada.
