Glenn and Dorothy Dumke Fellowship - FAH (Vol. 8, No. 30)

Students are advised that the Glenn and Dorothy Dumke Fellowship was established in memory of Dr. Glenn S. Dumke, Chancellor of the California State University from 1962 to 1982.

Chancellor Dumke was born in Green Bay, Wisconsin in 1917. He received his B.A. and M.A. degrees at Occidental College and his Ph.D. at UCLA. He also held honorary degrees from nine other distinguished universities across the country. In 1940, Dr. Dumke began his 22-year career in higher education as an instructor of history at Occidental College. He went on to become a professor of history and Dean of the faculty at Occidental before becoming President of San Francisco State College in 1957. While serving as President, Dr. Dumke was one of the principal architects of the Master Plan for Higher Education in California, which became the blueprint for the State's higher education system. Under Dr. Dumke's leadership, the University system made great progress in the breadth and quality of academic programs. As a later CSU Chancellor said, "He organized 16 separate academic programs into a single system that became a model across the nation... it happened because Dr. Dumke was a visionary leader."

The purpose of this fellowship is to encourage student scholars to engage in graduate work in fields such as public policy, American history, economics, archival management and government. Preference will be given to projects that involve research in the State of California. The winning scholars are expected to pursue research projects within special CSU library/archival collections.

One fellowship of \$1,000 will be awarded for the 2007-2008 academic year.
