## Your Guide to Graduate Student Funding Opportunities

### Student-Faculty Collaborative Initiatives
To aid graduate students in their studies, the GSC offers three initiative projects which will fund a research project for currently enrolled post-baccalaureate students in Research and Scholarship; Community Engagement; or Teaching and Pedagogy. Awarded students receive $1,500 and Faculty Mentors receive $500. Projects should be completed within one year, and updated quarterly application deadlines will be posted.

### Graduate Equity Fellowships
To be eligible for this scholarship, applicants should:
1. Be economically disadvantaged; and/or
2. Have disabilities; and/or
3. Be a woman in the natural and mathematical sciences; and/or
4. Be from another underrepresented group.

Amount of award is based on these, and academic performance criteria. Renewable each quarter.

### CSUB Title V Part B Scholarship
Scholarship eligibility requirements are:
1. Be a graduate student at CSUB
2. Be of Hispanic decent
3. U.S. Citizenship
4. Full-time enrollment (eight units or more)

Awards are $2,500 and renewable each academic year.

### Out-of-State or International Student Fee-Waiver
Requirements for this fellowship include:
1. Newly admitted student
2. Full-time status
3. Maintain “good academic standing” with a minimum 3.0 GPA
4. Maintain valid F1 status
