Master of Science in Educational Counseling

The Master of Science in Counseling offered by the Education Counseling program is designated to provide graduate preparation for counselors in the areas of School Counseling (K-12) or Student Affairs (College/University). The major goal of the Educational Counseling program is to prepare professional counselors who have the knowledge and skills to practice in a wide variety of counseling settings.

Characteristics of the Program

- Two concentrations: School Counseling and College Student Affairs
- Individual attention from experienced faculty and counseling professionals.
- Extensive field-based experience is woven throughout the curriculum.
- Full-time students can finish the program in as little as two years.

When to Apply

Fall Admission: July 15th  
Winter Admission: October 15th  
Spring Admission: February 15th
