Master of Arts in Sociology

The Master of Arts in Sociology is an advanced study of human social relations. It requires in depth study of institutional, structural, and historical patterns that govern human social behavior. The scope of study at the graduate level includes micro, macro, and global perspectives. The program is designed for students seeking career advancement, pursuing a career in community college teaching, or preparation for doctoral program.

Characteristics of the Program

• The program offers three options or “tracks” to complete the graduate program.

• The tracks include: thesis option that involves original research work; a teaching option that prepares students for community college instruction; and a special project option that involves students in a community and or agency based project.

Admission Requirements

• A completed university application via CSUMentor (www.csumentor.edu)

• Baccalaureate degree from an accredited college or university.

• GPA of 2.5 overall and 3.0 in the major.

• Satisfactory TOEFL score (minimum of 550) or 213 on the new conversion scale for International students.

• Formal letter of intent.

• Three Student Recommendations.

• Example of writing ability (published paper, conference paper, term paper, etc.).

• Completed Graduation Writing Assessment Requirement (GWAR) or ENGL 310 or equivalent from another university.
