

Instructions for Selecting the Appropriate Learner Group
for CITI Human Subjects Protection Training for the Purposes of
Fulfilling the IRB Requirement
Students Conducting No More Than Minimal Risk Research Option

Once you have [registered for a CITI account](#) you will be asked to select your Learner Group:

From the Main Menu Page – Home > Add a Course Question #1:

Select only one box -- the Student conducting no more than minimal risk option

Important Instructions for Question #s 2-11:

Please answer NO or Not at this time or I am not required

Note: The HSIIRB accepts 3 types of Human Subjects Protection Training Completion Reports:

1. CITI-PI/Researcher SBE (Social, Behavioral, & Educational Research)
2. CITI-Students Conducting No More Than Minimal Risk Research
3. CITI-PI/Researcher Biomedical/Biomedical Data or Specimens
