Who the heck is IRPA?

The Office on Institutional Research, Planning, and Assessment (IRPA) provides information and data analysis in support of budgeting, operations, planning, and policy determinations at California State University, Bakersfield.

Also Known As:
- IR
- Planning Office
- Institutional Research

We can create, distribute, and analyze campus wide surveys. Use the data from the surveys for funding proposals, to make changes, or get student opinions.

Where are we located?
Business Development Center
Building A
(661) 267-345

We provide data for:
- Accreditation
- Program Assessment
- CA State Legislature
- Graduation Initiative
- US Dept. of Education
- Strategic Planning
- Chancellor’s Office
- Grant Proposals

Did you know...
The data we provide helps support policy changes at the student and institutional level!

What’s so great about Tableau?
- Easily visualize data trends
- Campus data at your fingertips
- Visual and traditional displays of data
- Multiple data filters - not just a static report
