### What advice do you have for CSUB students in your major?

- Build study habits!
- Relax and enjoy everything you can learn.
- Get involved with UAA and CalCPA early in your college years.
- Talk to professors about what you don't understand.
- Find a good faculty mentor to help develop your skills and advise you post graduation.
- Internships are VITAL!
- Be fearless and open to trying new things.
- Read your textbooks.
- Don't be afraid to ask for help from your professors, tutors, and even classmates.
- Be on time!
