CSUB's major in Liberal Studies as outlined on this concentration outline provides a diversified major approved by the Commission on Teacher Credentialing and satisfies all of the requirements. Note 1: One course may be double-counted within the Depth Concentration and the Program requirements. Advice: With careful course selection, you can also satisfy requirements for supplementary authorizations to teach in single subject areas; see your advisor for details. Note 2: Transfer courses may be used to satisfy program requirements. Where courses are not articulated it is the student's responsibility to secure an "Authorization for Substitution/Waiver" signed by the Program Chair. See the Program Coordinator for details. **Beginning Fall 2007 All courses must be completed with C- or better unless otherwise indicated. (FYI: Students will need 180 units to graduate with this degree; including 60 upper division units) (Transfers: 75 units at a 4 year university; 45 units must be at CSUB; 36 units upper division)**
