CHALLENGES

If you wish to challenge any of these courses, first you need to get a form and the authorization of the Department Chair. Go to the Accounting Office and pay the fee, and then schedule an appointment with the Department Chair, in charge of the challenges.

The exam has to be before the week of the finals.

You will need to prepare the exam with the book *Gente. Nivel básico* and the DVD that comes with the book. Both are available at the Library (on reserve, Dr. Teresa Fernández-Ulloa). For 101 you will need to study lessons 1-5; for 102, lessons 6-11, and for 103, 12-17.

You will have a grammar section and a cultural section in your exam. For this last section, you will need to provide information about the countries in each lesson (info comes in the DVD).
