

Emergency Medicine Physician Assistant/Nurse Practitioner Opportunity at Kaweah Delta

**Kaweah Delta
Health Care District**

Full time Opportunity

Our Emergency department has expanded and grown from 23 ED beds to 32 ED beds plus 7 Fast Track beds. We are looking to expand our PA/NP coverage to accommodate for this growth. We are seeking candidates who have the desire to learn and grow professionally, be part of a team, who are motivated, and seek to provide excellent patient care.

*******Candidates should have the following qualifications: ED experience is preferred but site is willing to consider those with Urgent Care, Internal Medicine and or Family Practice experience. New graduates will be considered for this site as well.**

There are advantages to joining the CEP America team which include:

- Teamwork Approach to Improving Patient Satisfaction and Patient Flow
- CEP America values the importance of mid-level practitioners in the delivery of patient care
- Full time Employee Benefits include: Competitive Hourly Compensation, Health, Vision, and Dental Insurances, 401k with match, Profit Share, Paid time off and Sick time accrual, Dependent Care Assistance Plan, CME and more

Visit our website to learn why CEP could be the choice for you. www.cep.com
