Statement About the Applicant

Student Name: _____

Date: _____

We would appreciate a statement from you about the applicant. Please use the space below and any additional sheets if necessary to make comments you believe are relevant to this student.

What is your estimate of the applicant's promise as a graduate student?

What are he or she's strengths and weaknesses? What is the applicant's potential for independent study and research, intellectual independence, and their ability to organize and express ideas clearly, both in writing and orally?

In your opinion, are there factors that may or may not be reflected on the applicant's academic or employment records, including aspects of character and personality that would affect their ability to succeed in online graduate studies?

California State University, Bakersfield
