Position: Lecturer in Engineering

Type: One Year Lecturer (Academic Year)

Academic Year: 2016/17

Available: 17 August 2016

Location: Department of Physics & Engineering
School of Natural Sciences, Mathematics and Engineering
California State University, Bakersfield

Contact: Ms. Estrella Garibay
Search and Screening Committee
Department of Physics and Engineering, 64 SCI
California State University, Bakersfield
9001 Stockdale Highway
Bakersfield, CA 93311-1022

Application Deadline Date: To insure full consideration, apply by May 15, 2016 (position open until filled)

Announcement Deletion Date: August 16, 2016

Description: Full Time Lecturer position (renewable yearly pending funding, and subject to performance review) to teach lower- and upper-division General Engineering courses and associated laboratories, such as Statics, Dynamics, Mechanics of Materials, and Electric Circuits, Thermodynamics, Fluid Mechanics, Heat Transfer, and Computational Methods for Engineers.

Qualifications: A Ph. D. in Mechanical or Petroleum Engineering or closely related field is preferred, but a M. S. will also be considered. Applicants are expected to have excellent academic credentials and a proven ability to teach courses and laboratory sessions effectively.

Compensation: Commensurate with experience and qualifications.

Application: The application package must include an application letter detailing candidate's qualifications and experience relative to the position description, a statement of teaching philosophy (one page), curriculum vitae and unofficial transcripts. Official transcripts and three letters of recommendation will be requested of applicants being seriously considered. For questions, contact Ms. Estrella Garibay at (661) 654-2664 or E-mail: engr-positions@csub.edu. Send the package by email to this address, or by regular mail to the contact address above. Incomplete applications will not be considered.

Setting: CSUB is a regional comprehensive university that prides itself in undergraduate education and small, high-quality programs. Kern County is an energy rich region with outreach development and research opportunities.

California State University, Bakersfield is committed to Equal Employment Opportunity. Applicants will be considered without regard to gender, race, age, color, religion, national origin, sexual orientation, marital status, disability or covered veterans' status.
