III. Introduction of Guests/Visitors

IV. Chair's Update  
   a. Budget  
      Through furloughs and reduced hours, the SRC has been able to save 13%. We’ll still be pulling from reserves but not as much.

   b. Juice Bar  
      Juice it up did not follow through with their contract. The SRC has been talking to Jamba Juice but they do not appear to be too interested at the moment. Aramark looked at the space and has declined.

   c. AVC Modular  
      The Antelope Valley Campus decided to renovate one building and create a modular building. Construction has started. The AV campus decided to use the money in this fashion. Some AV students have asked if there are any recreation programs in AV. The SRC can put some information together so that AV can implement a program. The SRC may also provide some small equipment.
d. Vacant Student-at-Large Positions (2)
There are two Student-at-Large SRC Committee positions open. If you know of anyone who is interested, please let Eddy know. You can also direct the individual to fill out an application found on the SRC website (www.csub.edu/reccenter) or to approach the Career Development Center.

V. Recommendation – Locker Rental Proposal
The following information on locker rentals was put to a vote. The recommendation passed.

SRC LOCKER RENTAL

• A limited number of lockers are available for rent to all members of the SRC. Availability is on a first-come, first-served basis.
• SRC issued locks must be used and remain on rental lockers. A $5 replacement fee is charged for lost or damaged locks.
• Rental Fees:
  • Quarterly $30
  • Academic $75
  • Annual (includes Summer) $95
• Lockers not cleared at the end of the rental term will have their contents removed and stored for a quarter. If unclaimed, contents will be donated to charity.

Final Vote for SRC Facility Reservations and Rentals: Passed

VI. Announcements
The SRC is concentrating on getting faculty and staff to join as members. It will then focus on Alumni memberships.

About 700 students a day use the facility during the week and about 150 a day use the facility on the weekend. There is always a spike at the beginning of the quarter and then it levels out.

Mark said that we can have an open house at the beginning of the year to get Alumni to join the SRC.

If a credited student no longer has their student ID, they are issued an SRC card.

Credited students are awarded their credits by quarter.

VII. Adjournment
11:47am
