Students on academic probation are in jeopardy of academic dismissal if an adequate GPA is not maintained. Please refer to pages 67-68 in the 2013-15 CSUB catalog regarding Academic Standing.

Student: A hold has been placed on your record due to academic performance. This form and attendance at a Probation Workshop is necessary to remove the hold. This form needs to be completed in consultation with your faculty/academic advisor.

Reason for inadequate performance:

________________________________________________________________________

Plan to remove probationary status (including a possible schedule change):

________________________________________________________________________

________________________________________________________________________

☐ Registered/Attended Mandatory Probation Workshop   Date __________

Faculty Advisor Recommendations (Please check one below):

☐ Student progressing favorably towards removing probationary status

☐ Student not progressing favorably towards removing probationary status or student did not attend advising appointment.

Deadline: Monday of the 2nd week of the quarter of academic probation. Please return form to the NSME Student Center, SCI I, Room 116.
