

CSUB Faculty Queries – Course Information

The **Course Information** query allows you see class information for each course and section offered for the selected term. You can download the results to an Excel spreadsheet for additional manipulation, such as filtering data and sorting. The table below lists the query details.

| Course Information Detail | |
|---------------------------|---|
| Column Name | Column Content |
| Subject | Subject Area |
| Catalog | Catalog number |
| Section | Section number |
| Title | Course title |
| Topic | Topic |
| Name | Instructor's name (last name, first name) |
| Enrl Stat | Enrollment status of the section. (O = open, C= closed) |
| Current Enrl | Current Enrollments , the total number of enrollments for the section |
| Cap Enrl | Capacity Enrollments, the maximum enrollments for the section |
| Start | Start time (hh.mm) |
| End | End time (hh.mm) |
| M | Monday (N = does not meet on that day, Y= does meet on that day) |
| T | Tuesday (N = does not meet on that day, Y= does meet on that day) |
| W | Wednesday (N = does not meet on that day, Y= does meet on that day) |
| Th | Thursday (N = does not meet on that day, Y= does meet on that day) |
| F | Friday (N = does not meet on that day, Y= does meet on that day) |
| Sat | Saturday (N = does not meet on that day, Y= does meet on that day) |
| Sun | Sunday ((N = does not meet on that day, Y= does meet on that day) |
| Min Units | Minimum units |
| Max Units | Maximum unit |
| Term | Term |
| Session | Session number |
| Class Nbr | Class number or CRN |
| Acad Group | Academic Group |

Running the Course Information Query

- Click the [Course Information](#) link from the **Faculty Queries** page.

Enrollments per section

Prompt: Term
Course Information

Prompt: Term / Enrollment & specific info about each course.
Course Information by Subject

Prompts: Term, Subject (major or department) / Same info as Course Information query above, but for a specific subject.
Historical Enrlmt for a Course

Prompts: Subject (course), catalog number / All offerings of that course with enrollments

- The query opens in a new browser window. Enter the term you desire, for example 2091 for Winter 2009 in the **Term** box or use the icon to select the term. Click the **View Results** button.
