CPR CERTIFICATION

Verification of Cardiopulmonary Resuscitation (CPR) training that meets the standards set by the American Red Cross and the American Heart Association is needed prior to recommendation for issuance of the Preliminary (SB 2042), Professional (Ryan Clear), Preliminary or Clear/Level II Education Specialist credential.

Please provide verification of having completed Infant, Child and Adult CPR training by submitting a photocopy of the front and back of your original, signed CPR card.

Acceptable Forms of CPR Certification

American Red Cross
Adult and Pediatric CPR/AED
http://www.redcross.org/

American Heart Association
BLS for Healthcare or Heartsaver CPR AED
http://www.americanheart.org

Online CPR Certification training is NOT accepted unless you can provide verification of a recently expired face to face certificate.

Other organizations offer CPR training that is comparable to that of American Red Cross and American Heart Association, but prior to completing another organization’s training course, please contact the Credential Office to obtain pre-approval.
