CSUB’s first Runner Nights concert featuring pop-radio sensation Alessia Cara on April 23, 2016 was a great success with over 650 students in attendance! Planning for the concert began in November 2015 and the committee, comprised of representatives from ASi, Athletics, Campus Programming, Student Housing, Student Recreation Center, Student Union and supported by the Vice President for Student Affairs, met weekly to plan all of the details. The first opener was our very own student athlete and Sensational Sophomore, Susanna Vera who performed 3 original songs including one she wrote as soon as she found out about being selected by the committee to open for Alessia Cara at the Runner Nights event. Susanna has a beautiful voice and was excited to debut her own songs in front of such a large crowd. She shared her experience from the event saying, “Getting to perform on the same stage as Alessia was a dream. Performing feels like what I was born to do.”

CSUB HOSTS NATIONAL SEXUAL ASSAULT AWARENESS DAY AT THE ANTELOPE VALLEY CAMPUS
On April 20, National Sexual Assault Awareness Day was held at CSUB-AV from 11:00-4:30 pm. The Counseling Center sponsored the outreach program. The 60-minute CNN documentary “The Hunting Ground” was shown, followed by a panel discussion. Serving on the panel were Claudia Catota, J.D. (Title IX Coordinator), Rubicelia Alvarez (Director, Student Rights and Responsibilities), Vanessa Corona (Campus Advocate and Education Coordinator), Teresina Hone (CSUB alum and CalWORKS Program Manager of Valley Oasis), and Karen Coy, Ph.D. (Psychologist), offering their perspectives and answering questions about the movie and sexual assault. The students who attended had many interesting questions. A booth was set up on the campus where students guessed at various trivia questions and enjoyed pizza and drinks provided by the CSUB-AV Sociology Club. Handouts about Title IX, the definition of how to prevent sexual assault, and how to help survivors were distributed to participants. Out of the male participants, one man agreed to “Walk in Her Shoes.” He put on high heels and tried to walk, to gain empathy for females. The event was a great success!
