#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

The supplementary information, which is the responsibility of management, included on pages 11 - 24 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information, except for the portion marked "unaudited," was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. That information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, that information is fairly stated in all material respects in relation to the financial statements as a whole. #### **Notes to Financial Statements**

Years Ended June 30, 2015 and 2014

#### Note 1 - Organization and Summary of Significant Accounting Policies

#### Nature of Activities

California State University, Bakersfield Student Union (Organization) was incorporated in the State of California on March 9, 1994, and opened its facility in May 1994. In May 2009 the Student Union opened its Student Recreation Center. The Organization was formed and operates as a non-profit auxiliary organization of California State University, Bakersfield (CSU Bakersfield or the University). The Organization operates a student union facility to enhance the quality of the student experience through the development of and exposure to, campus programs, activities, and organizations in a student centered environment. The Organization's primary source of revenue is student fees that have been remitted to CSU Bakersfield.

#### **Basis of Presentation**

The Organization reports information regarding its financial position and activities according to the three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

- Unrestricted net assets represent expendable funds available for operations, which are not otherwise limited by donor restrictions.
- Temporarily restricted net assets consist of contributed funds subject to donor-imposed restrictions contingent upon specific performance of a future event or a specific passage of time before the Organization may spend the funds.
- Permanently restricted net assets are subject to irrevocable donor restrictions requiring that the assets be
  maintained in perpetuity usually for the purpose of generating investment income to fund current
  operations.

The Organization had no temporarily or permanently restricted net assets during the years June 30, 2015 and 2014.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **Income Taxes**

The Organization is a qualified nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. However, the Organization remains subject to taxes on any net income which is derived from a trade or business regularly carried on and unrelated to its exempt purpose.

The Organization follows accounting standards generally accepted in the United States of America related to the recognition of uncertain tax positions. The Organization recognizes accrued interest and penalties associated with uncertain tax positions as part of the statement of activities, when applicable. Management has determined that the Organization has no uncertain tax positions at June 30, 2015 and 2014 and therefore no amounts have been accrued.

#### Property and Equipment

The Organization capitalizes all expenditures for property and equipment in excess of \$5,000. Equipment and improvements are recorded at cost or at estimated fair value at date of gift if donated. Expenditures for maintenance and repairs are charged against operations. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets of 3 to 10 years.

Schedule of Student Union Revenue Bonds, Series A

Year Ended June 30, 2015 (Unaudited)

The revenue Bond Act of 1947 provides the CSU Trustees with the ability to issue revenue bonds to fund five specific self-supporting programs and the health facilities program. The statute has enabled the Trustees to finance student housing, student unions, parking facilities, health facilities, continuing education facilities, and auxiliary organization facilities.

The Systemwide Revenue Bond (SRB) program, formerly the Housing Revenue Bond program, was approved by the Trustees in fiscal year 2003. This program provides funding for various construction projects, including student residence and dining hall facilities, continuing education buildings, student unions, parking facilities, health facilities, and auxiliary organization facilities designated campuses with the System as specified by the individual bond documents. It is designed to provide lower cost debt and greater flexibility to finance revenue bond projects of the System. Rather than relying on specific pledged revenues to support specific debt obligations, this program pools several sources of revenue as the pledge for the revenue producing projects.

The University participates in the SRB program and its allocated share of outstanding SRB debt as of June 30, 2015 is \$20,986,075, which has been used to finance the Organization and Student Recreation Center. These assets are reported and depreciated on the University's financial statements.

SRB debt obligations of the University as of June 30, 2015 consist of the following:

Interest Rate	Fiscal Year Maturity Date	Amount Oustsanding at June 30, 2015	
3.50-5.00%	2038/2039 \$	22,385,000 \$	20,040,000

#### Schedule of Student Union Revenue Bonds, Series A

Total	\$	20,785,000 \$	14,427,050 \$	35,212,050

As specified in the bond resolution, the bonds outstanding at June 30, 2015 are secured by the future revenue streams generated by the Organization, rather than by the constructed assets.

The original capitalized cost of buildings, improvements, and equipment at completion of construction was recorded by the California State University. These assets are leased to the Organization. The lease, which expired June 30, 2015, provides for no annual rental fee. The Organization and the University are currently in the process of renegotiating this contract.
