“Blackboard Collaborate provides a comprehensive online learning and collaboration platform designed specifically for education. It is helping thousands of higher education institutions deliver a more effective learning experience through online, blended, and mobile learning. And it will help you open up all-new aspects of real time, or anytime, learning to engage more students and improve outcomes.”

Join us for Introduction to Blackboard Collaborate where you will learn the basics of hosting a webinar through Blackboard Learn.

**Workshop: May 8th, 3:30pm**
