Introduction to Camtasia Relay

Camtasia Relay gives you the ability to record directly from any Mac, Windows computer, or mobile device. Once the video has been recorded, learn how easily it can be uploaded and shared amongst other faculty members or students!

Presented by Anthony Bolaños

April 6\textsuperscript{th}, 1:00 pm
April 24\textsuperscript{th}, 10:00 am
May 13\textsuperscript{th}, 1:00 pm
May 27\textsuperscript{th}, 1:00 pm
