Faculty TLC will be providing TechSmith Snagit workshops throughout the Winter 2015 Quarter.

TechSmith Snagit helps in capturing images and videos with ease. You can edit the image and create markings directly on the image such as highlighting, arrows and pointers. Snagit is available for PC and Mac.

Please RSVP for any of the following workshops:

April 3rd, 10:00 am
April 20th, 1:00 am
May 8th, 10:00 am
