Introduction to Camtasia Relay

Camtasia Relay gives you the ability to record directly from any Mac, Windows computer, or mobile device. Once the video has been recorded, learn how easily it can be uploaded and shared amongst other faculty members or students!

Presented by Anthony Bolaños

January 9, 10:00 am
January 23, 10:00 am
February 12, 1:00 pm
March 5, 1:00 pm

Workshops will be held in: WSL 202 (Library 2nd Floor Lab)
