

Students Enrolled (Distinct)

The Students Enrolled (Distinct) query lists the student's plan (major), sub-plan (major track), GPSs, unit totals, and email for the specified term and plan. The student appears once on the list based on their primary plan or major. To run the query:

1	From the menu bar (on the left), click the CSUB Query Dashboard link																																							
2	The Faculty Queries page opens. Click the Students Enrolled (Distinct) link.	 <p style="margin-top: 10px;">Prompts: Term and plan. This query gives the same information as the "Students Enrolled (limited)" query above, but it lists each enrolled student only once--according to the student's primary major. Can use % for plan to get all plans.</p>																																						
3	The query opens in a new browser window or tab. In the Term , enter the term or use the  icon to select the term. <ul style="list-style-type: none"> In the Plan, enter the plan or major, such as <i>BIOL</i> Click the View Results button. 																																							
4	After a few minutes, your query results appear.
