BAKERSFIELD™

CSUB UNIVERSITY WEEK 2023 • Tuesday - Friday, Aug. 22-25

PRESIDENT'S MESSAGE

Dear CSUB family,

As we gather together to launch thousands of new beginnings in the lives of our students, we welcome the 2023-2024 academic year with a sense of reinvention and renewal – in our mission, our purpose and ourselves.

At CSUB, we are redefining excellence and opportunity for all of the families in our region. Last year, we scaled heights of success never before achieved in the great history of this university, from research and scholarship to improved enrollment processes, additional programs to keep our 'Runners focused on success and graduation, and the impactful contributions of our faculty and staff, who bring distinction and pride to our campus, a jewel of the California State University.

This year, we are committed to building on that success as we emphasize a culture of innovative thinking and a bold spirit that encourages new ideas and ingenuity.

To our new faculty and staff: Welcome! The San Joaquin and Antelope valleys are known for hospitality, so please know that when you join the Roadrunner community, you are family.

To returning faculty and staff: Your extraordinary efforts over the past few years have helped our students thrive against the odds. You have worked to make CSUB a better, more inclusive university and have earned your place in the legacy of this exceptional university.

Today, we rededicate ourselves to the purpose that unites each of us: To spread the opportunity and hope of a university education to thousands of new and returning Roadrunners.

May we go forward with a smile on our faces and new beginnings in our hearts.
